May we take this opportunity to thank the entire faculty and student body for their cooperation, without which this book would have been impossible. Especially would we express our appreciation to Mr. Cal Newton and Mr. Dick Murphree for counsel and guidance in the problems of preparing this, your book. If we have succeeded in giving you a record of college life that can make it possible for you to re-live your college days in the future, then we have accomplished the ultimate purpose of a year-book.

W. J. WIMPEE and HANNA MCKAY just before walking down the aisle in the May Day Parade. NALLEY, ROYSTON and some more all university dayers

watching MISS ALLEN putting sheep in the fold. ROBERT WARREN and ANITA BERT LIVELY doing what WIMPEE and MCKAY were getting ready to do. Well,

there's old FRED BRUNER on his favorite mount, SILVER. Two outs, two strikes, and Baylor's behind 13-2. No men on. Wonder if BOB NELSON is going to

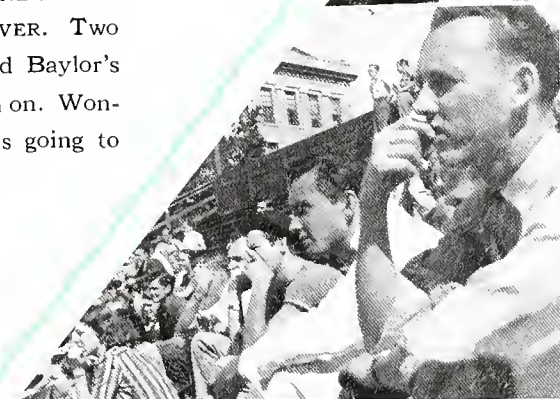

be able to stop all three of those bicycles with that catchers mitt? Class of '42 is on the other end of the rope. That's the class of '43 in the mud hole.

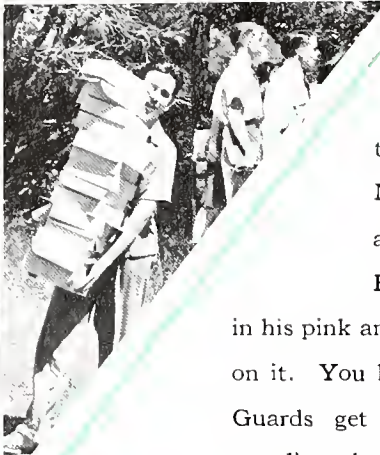

You'd laugh too, if you had seen all of the faces RUBALEE HANKAMER, NITA RAY SORELLE, and LADYE RITER were making in trying to win that rope jump-

ing contest. What's DR. CARPENTER doing?—throwing the rope? MARY ELIZABETH ROBERTSON, All University Day Queen and escort BUDDY GATE-

WOOD in full regalia Look on down the page and see if you can find your picture—we can't find ours anywhere. Looks like AMY LEE really wields a wicked

horseshoe or is it pennies? Could this be old JACK LUMMUS blanketing one of those long fly balls out in center field. Maybe so—draw your own optical illusion.

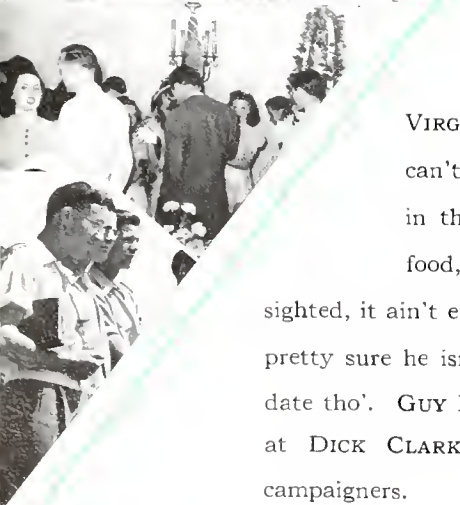

"EYES" NELSON, JOHN FALL, NORMAN DRAKE, and their buddy just sittin'. There's that old famous Baylor handclasp twixt girls only. BEASLEY T. MOORE and one of the boys talking the world situation over. SLIME SHOAF carrying somebody their lunch. TINE FAULK and Miss BRISCOE gazing at the advertisements? That fellar HANKAMER getting lots of names

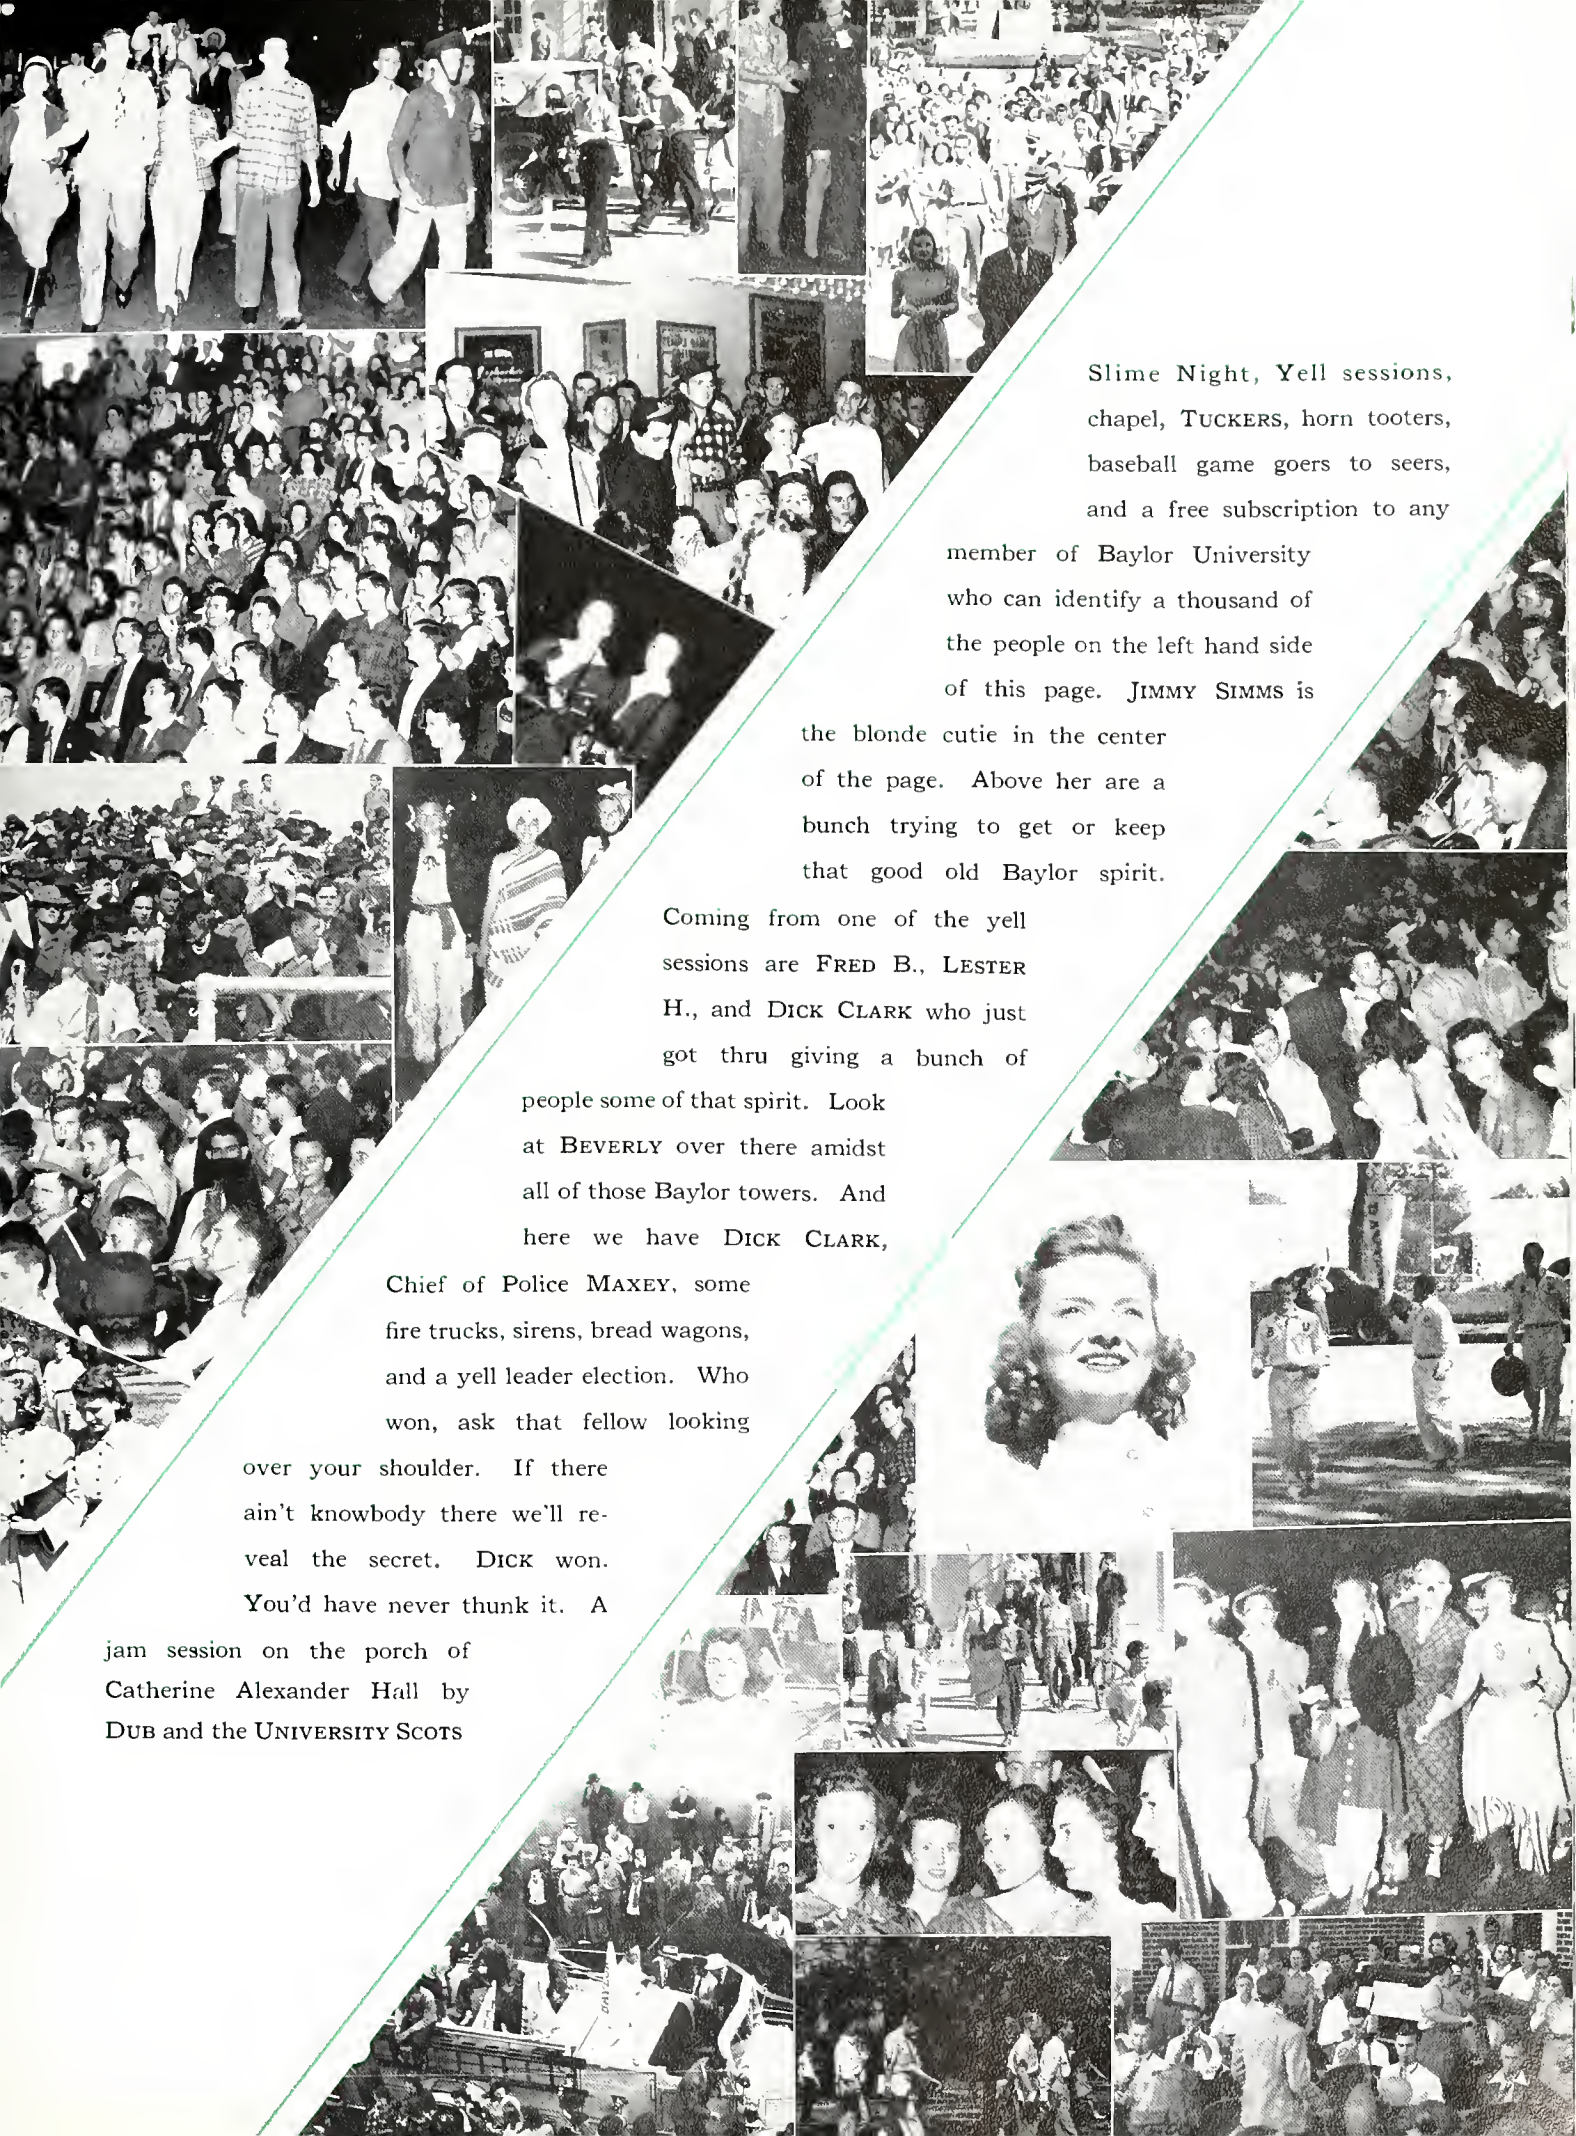

in his pink annual with a mirror on it. You know those Bengal Guards get around. They're standing there ain't they? Hi

Bonnie. This looks just like old "dirty face" under a tree huggin' Little Joe. There comes FANNIE, HELEN, BRUCE and

VIRGINIA headed for chapel. I can't quite identify the fellow in the background behind that food, dang I'm getting near-

sighted, it ain't even food. I'm pretty sure he isn't Jo BLAIR's date tho'. GUY NEWMAN awed at DICK CLARK's yell leader campaigners.

Slime Night, Yell sessions, chapel, TUCKERS, horn tooters, baseball game goes to seers, and a free subscription to any

member of Baylor University who can identify a thousand of the people on the left hand side of this page. JIMMY SIMMS is

the blonde cutie in the center of the page. Above her are a bunch trying to get or keep that good old Baylor spirit.

Coming from one of the yell sessions are FRED B., LESTER H., and DICK CLARK who just got thru giving a bunch of

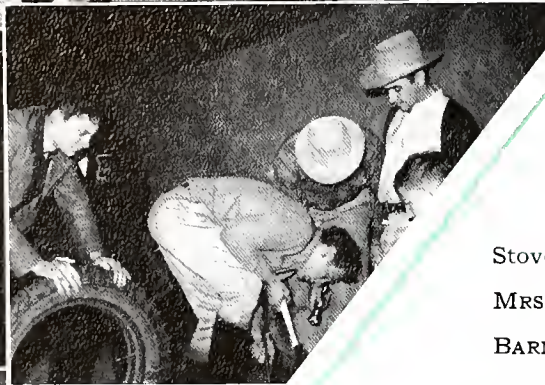

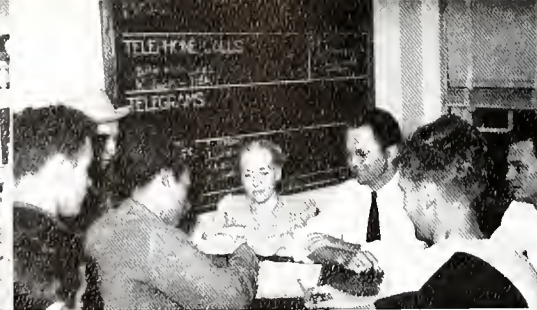

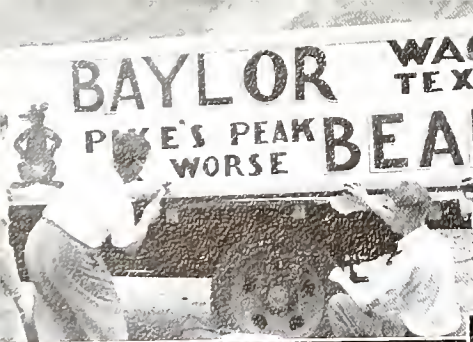

people some of that spirit. Look at BEVERLY over there amidst all of those Baylor towers. And here we have DICK CLARK,

Chief of Police MAXEY, some fire trucks, sirens, bread wagons, and a yell leader election. Who won, ask that fellow looking

over your shoulder. If there ain't knowbody there we'll reveal the secret. DICK won.

You'd have never thunk it. A

jam session on the porch of Catherine Alexander Hall by DUB and the UNIVERSITY SCOTS

BAYLOR takes a trip to Denver to play the University of Denver. BLAYLOCK and WALTON help get DULAK's truck ready to go.

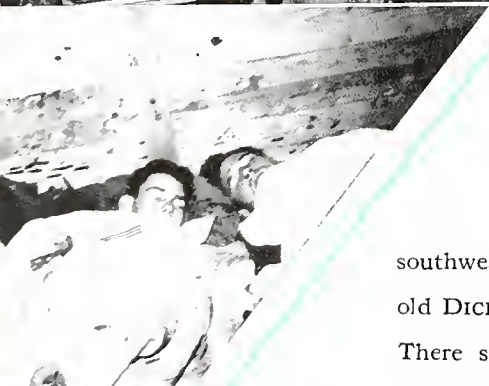

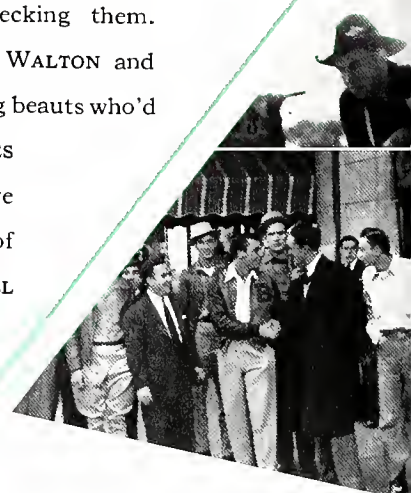

Stove and all inside. MR. and MRS. WENDT checking them. BARNEY, HANNA, WALTON and a copper! Sleeping beauts who'd

have thought old JOHN BATES and ERNEST JETT would have been standing out in front of the Cosmopolitan Hotel. ALL

AMERICAN BOB NELSON gives all of the Colorado people the old Baylor handshake. Here's ten of the coyotes you hear

about that yell on the lone prairie. This whole bunch went up to watch the bears win a football game. Glance slightly

southwest and you can't say old DICK can't pick his women. There sits the Baylor rooters. They're not so awfully motley looking.

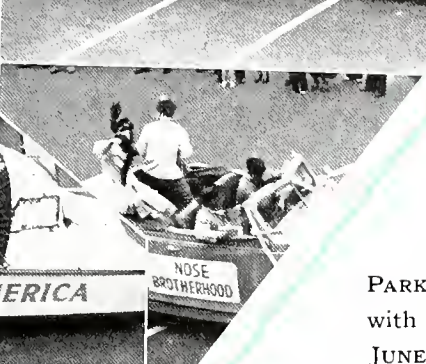

EVELYN HARRIS, Homecoming Queen is the one with the pretty face smiling right at you. She's a beauty, too. I mean a Baylor beauty as well. Follow your

nose and you'll see all kinds of Homecoming Queens of the different clubs, at least their nominees. KATHERYN ELDER, DAPS: JIMMY NICHOLS, Senior Class:

MARY ELIZABETH ROBERTSON, Sophomore: GERALDINE SHEFFIELD, Law School: JUNE HAMILTON, Athenaeon Club. All conference Basketeer, DWIGHT

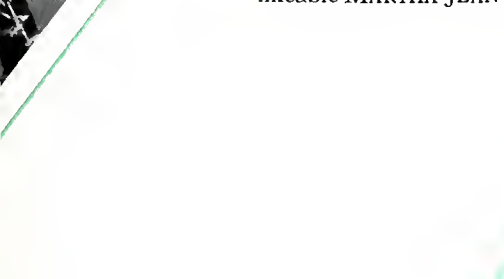

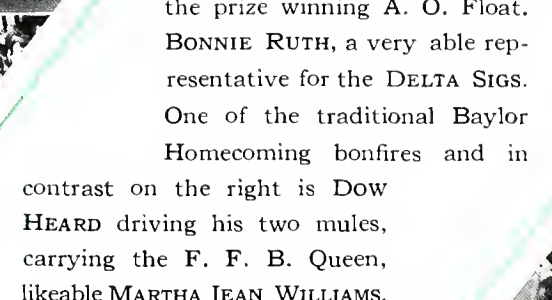

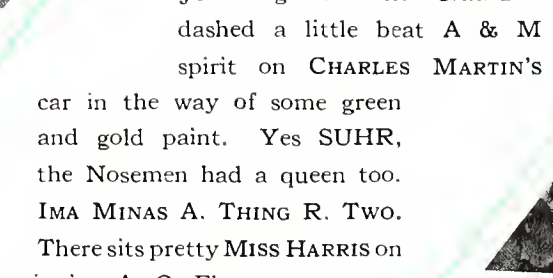

PARKS. What's he got to do with Homecoming? There is JUNE again. The CHAMBER dashed a little beat A & M spirit on CHARLES MARTIN'S

car in the way of some green and gold paint. Yes SUHR, the Nosemen had a queen too. IMA MINAS A. THING R. TWO. There sits pretty MISS HARRIS on

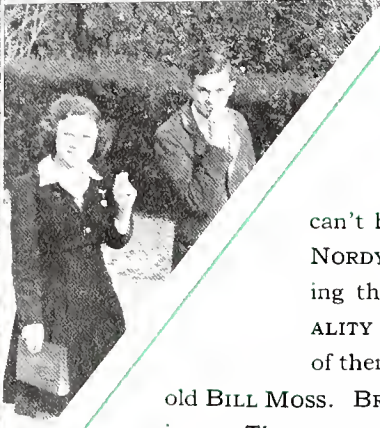

the prize winning A. O. Float. BONNIE RUTH, a very able representative for the DELTA SIGS. One of the traditional Baylor Homecoming bonfires and in

contrast on the right is DOW HEARD driving his two mules, carrying the F. F. B. Queen, likeable MARTHA JEAN WILLIAMS.

HEARD, HORNER, FLAUNDERS, JULIAN, and BOONE, backbones of the Class of '43. All good boys. DORCAS DEAN and some Sissy looking fellar who don't

go to Baylor. BILLY POND trying to convince the little girl. BILL SHRINER and BILLY GUYNES, Baylor's duet of love birds. EDGAR and TEENIE. He

can't help it if his voice carries. NORDYKE and SLEWFOOT picking their teeth. MISS PERSONALITY nominees. You know all of them. They just flock around

old BILL MOSS. BRUNO sermoning. They say that builds character at Baylor. TULLY has to carry two cords of wood by the time he's forty years

old. He probably ain't from a family tree of non-participants anyway. In this column we have BOGGESS, MOEKEL, WISDOM, BATES, WALDROP and party.

DOT WALL has to earn her own A. O. pin money. "BIBBA" will just naturally vamp you if you look at this picture of LITTLE JOE. There is a long story

about "PURITY" but that's her sitting there with BOOTS NEEL. LUMMUS, ANNE C., NAUVAREE GROGAN of Bivens, and JACK RUSSELL headed for the corner.

Lariat Editor NEWMAN getting coins for a good cause.

This looks more like a dorm crowd. JAMES COBB and DENA BEARD on the way to chapel. EVELYN CULBERTSON, FRANCES

COLLIER, and JOHNNIE MAE SNAP center a group enjoying music in Memorial drawing room. MILAM and a couple of

fellows make their worried way to Pat Neff Hall. MACK RODGERS and JUDY SMITH going to Chapel. BILL JAMISON saunters.

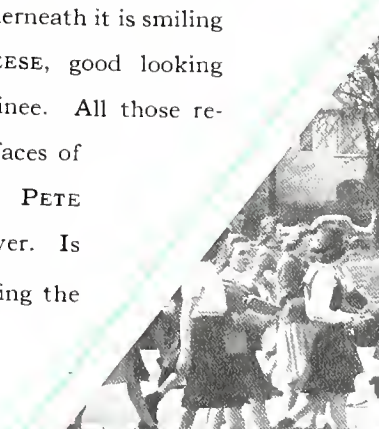

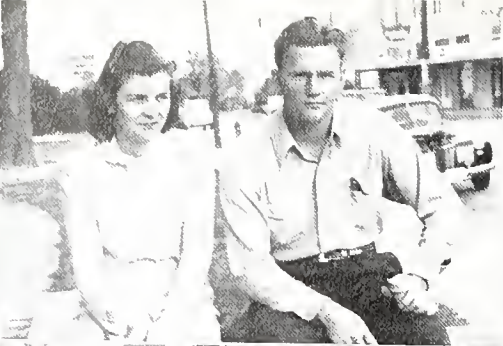

That top picture looks a bit askew. Underneath it is smiling MURIEL REESE, good looking beauty nominee. All those re-

lieved looks are on the faces of students leaving chapel. PETE JAMES relaxes in the clover. Is CHARLIE CRANFORD solving the

world situation? Don't pass on the wrong side there, GRADY! MRS. CRAWLEY and MRS. BURN-

ITT in a throng of students—are you there? WALSTEIN SMITH gazes over MARY CUNNINGHAM's shoulder.

We see FLO FERGUSON and BEN WAINRIGHT on the way to Pat Neff Hall. MICKEY STURDIVANT and FRANK LATHAM, seem quite a bit together. SADIE COOLIDGE

and EVELYN HARRIS scrub the steps for the A. O.'s. Posture contest? MARY ETTA POST and a gal behind a mitten seem to dream. EDGAR and TEENIE

together again. PEGGY KESINGER and ED HICKMAN—Is ED a killer? Pair of enviable secretaries are JIMMY and HELEN MARIE, usually found in the

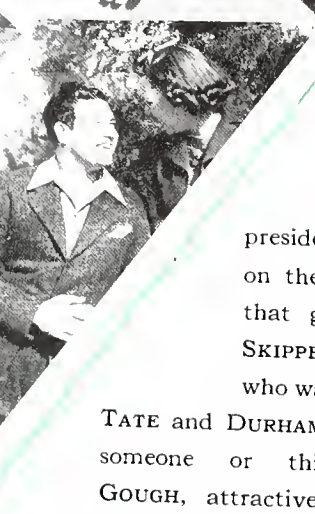

president's office. PETTY turns on the old irresistible—Should that girl be in that picture? SKIPPER and PUFF—Who said who wasn't going to drink what?

TATE and DURHAM waiting for someone or thing. BETTY GOUGH, attractive home-town product. JOHNNY NELSON, MORRIS HARREL, and BILLY

PATTERSON and you can't guess where. H. C. PITTMAN introduces a beauty, BONNIE RUTH SLAUSON. WANDA ROBERTSON doing something with her mouth,

you figure what. DWIGHT PARKS and FRANK KING kill time on the campus. Why do you all carry so many books to chapel KAY? Do you study during

programs? Did you ever see that many girls sitting in the drawing room of a dorm alone?

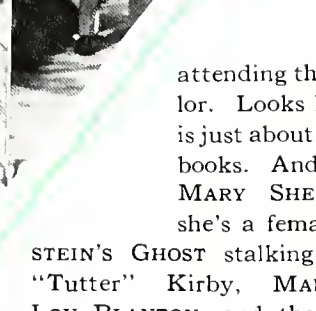

MARGIE DUNSON and PEELER WILLIAMS. Been going together about four years or so. That ain't so bad, is it? FRANKIE SLAY glances over her right shoulder. FRANK MARSTALLER

emerging from the doors of the meeting place for the chapel hour. Yeh, I said an hour, usually. An attractive six-some, most of them from the same club—you figure out which one.

Old faithfuls, some exceptions, BILLIE MARION PARKS and ED HICKMAN. MR. WENDT giving one of the lads a little friendly advice. Everybody knows FRED CROW, a little of the local talent

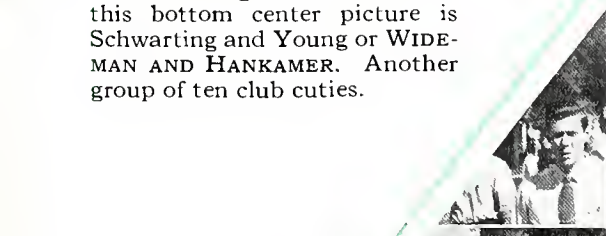

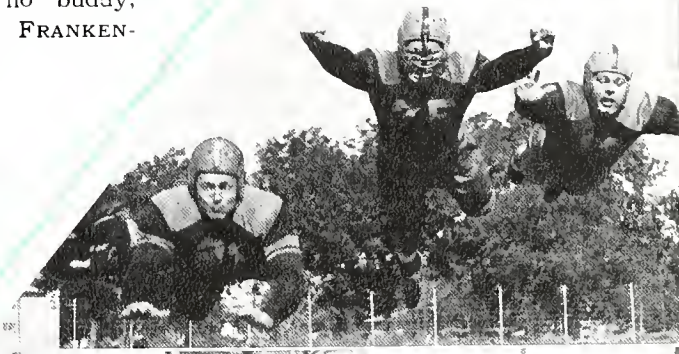

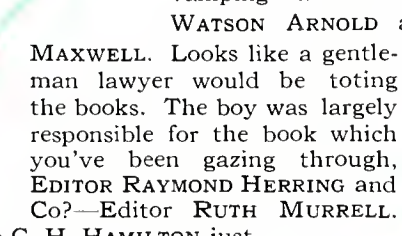

attending the University of Baylor. Looks like this little group is just about weighted down with books. And in this corner Miss MARY SHEPPARD, no buddy, she's a female prof. FRANKEN-

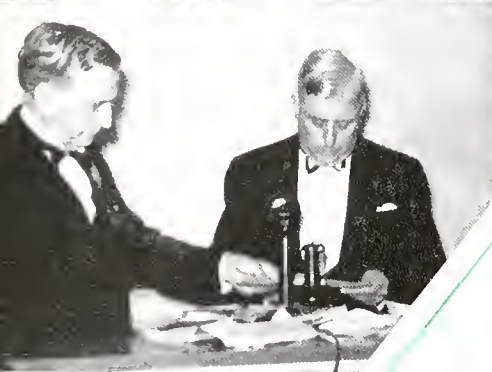

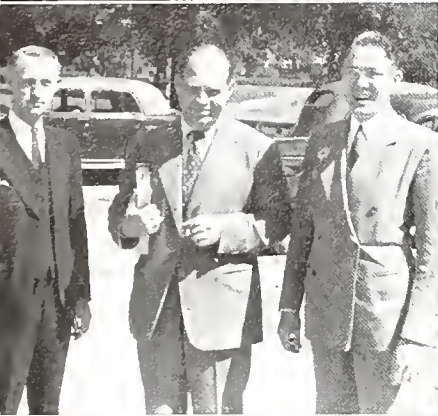

STEIN'S GHOST stalking above "Tutter" Kirby, MARGARET LOU BLANTON, and the fellow with the tie on. Three of the Bear Footballers. It's MICKLER with the nose guard on and

little JACK WILLIS on the right. Can't figure out who the guy is getting ready to blow the balloon up. One of the TUCKERS vamping another Freshman. WATSON ARNOLD and BECKY

MAXWELL. Looks like a gentleman lawyer would be toting the books. The boy was largely responsible for the book which you've been gazing through, EDITOR RAYMOND HERRING and Co?—Editor RUTH MURRELL.

Looks like C. H. HAMILTON just took a big dose of castor oil. We can't figure out whether this bottom center picture is Schwarting and Young or WIDEMAN AND HANKAMER. Another group of ten club cuties.

more feminine pulchritude in the persons of SELF, MICKLER, HICKMAN, and some more of LULU'S LOOPERS and NELLIE'S NETTERS.

the corner is C. H. HOPKINS, FRANCES WILLIAMS and another one of the French students. FRED BOWMAN fascinating another Baylor coed. Some

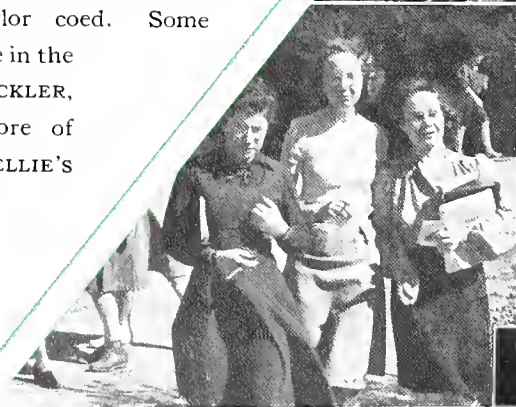

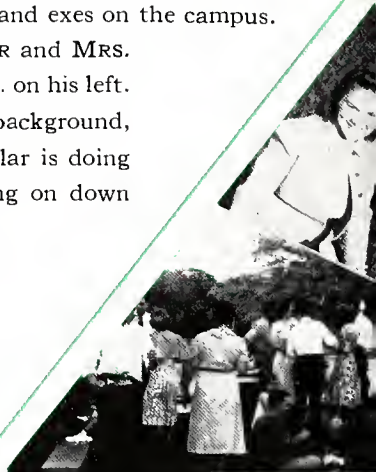

KITTY, and MIXSON more than likely talking about somebody. ASTOR JACOBS, RUSTY BAYLOR, JOY RAY, and G. C. HUGGINS going to Chapel. Down in

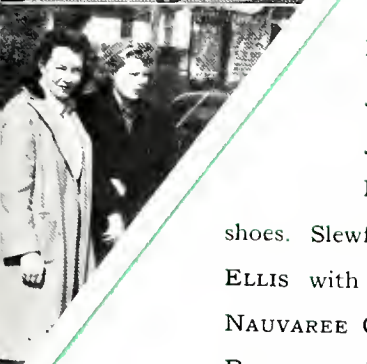

All of the people with the big and little fiddles is known as the PUBLIC School Music Group. The male is the head of the group HAROLD SCHATZ. EDGAR,

with the celebrities we see DR. JOHNSON and ROY BASS with DAVID CONE, noted author, MORLEY JENNINGS? PRESIDENT PAT NEFF in a couple of places.

MR. JOHN B. FISHER and MRS. FISHER and the MRS. on his left. It's SENDON in the background, ask him who the fellar is doing the talking. Looking on down

WILLIAMS, MURIEL REESE, GRADY DUPRIEST, and several others. People going to chapel. BETH, MICKEY and MARTHA.

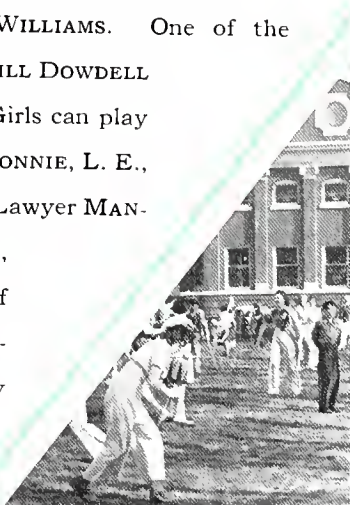

Look's like CAMILLE is calling HANK something but he eats it up. She kinda eats him up, too.

DOC WILLIAMS. One of the

MORROW twins. BILL DOWDELL and lady friend. Girls can play too, can't they? BONNIE, L. E., AL, and DWIGHT. Lawyer MAN-

SELL and three others. O. K., you try to identify some of these feature pictures. PRESIDENT NEFF just said yesterday

that if all the students in Baylor walked by you couldn't name but a few. More people, some are KING, LUCAS, HIATT, and RED McLERRAN.

MURIEL REESE, AMY LEE, and CAMILLE—not a bad looking threesome for Baylor. There goes a Delta Sig pledge and a

cute Freshman girl. GEORGE BEVEL, Lariat Editor and his attractive GRACE HALBERT. The two frowning in the middle are

OGIE PRICE and RUTH TOWNSEND. PAT MICKLER and KITTY ELLIS. Neither one of them are worrying. MARY JO ELLIS does-

n't look like a working girl. O. L. PETTY and PUFF chiming in—does she ever stop? JACK SAMPIER, author of "A Young Man's

Fancy." In the background is BOB MILLER, PROF. SUMMERHILL, and HALEY. Just below that studious girl are MYRTIS

and MICKEY, just strolling.

JOY JAMES way down in the corner. PEERS, BLAIR, BUNKLEY and SMITH. PEOPLE, to and from chapel. These girls

look like they just mailed that certain letter. BILL BROACH and BUDDIES on Publications steps. PEOPLE loafing and eat-

the floor, SLIME MOORE reading the papers, MERLIN NEFF relaxed in the easy chair. AL GAMLIN, MARGARET YEATES, LE

EARLE DRAKE going to Pat Neff Hall. JACK FLANDERS conducts fellowship hour—MILBURN, BRADLEY, WALTON,

BROACH, ATTEBERRY and HARRIS listen. JACK WILSON and BILLIE BROWN, wonder where? MONK EDWARDS, pro footballer.

Corrigan week-end—JACK WILSON fights off a bevy of femmies, including REBA, GLADYS, BEVERLY, BILLIE, BETTY et al. That's why they call PORKY

"Porky"—He must just be passing by, surely all those cute freshmen don't want dates. JACK lost the first round to B. BROWN in that fray and there she is

paying the bill. Girls it takes years to work out a good hitch-hiking technique—Who would pick up that bunch—you might get hijacked.

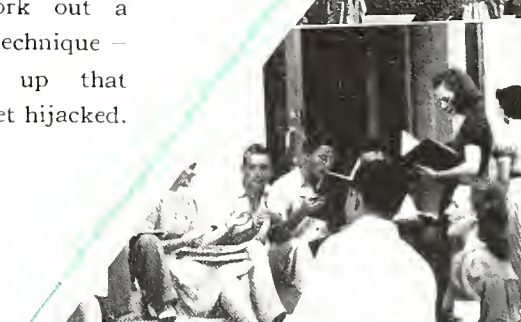

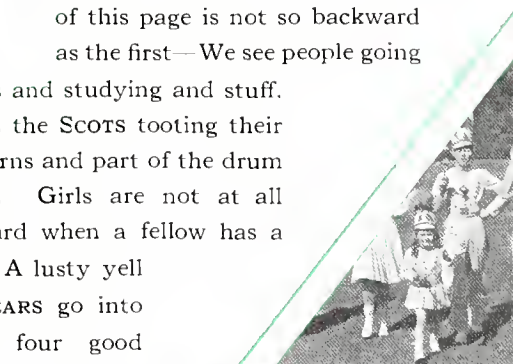

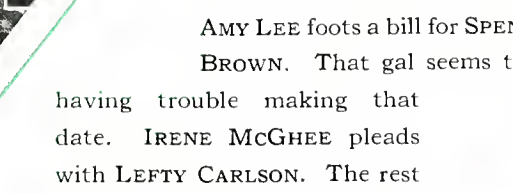

Female corner loafers look over prospects for dates. That coy fellow is ROBERT WITHERS. AMY LEE foots a bill for SPENCER BROWN. That gal seems to be

having trouble making that date. IRENE MCGHEE pleads with LEFTY CARLSON. The rest of this page is not so backward as the first—We see people going

to class and studying and stuff. There's the SCOTS tooting their own horns and part of the drum majors. Girls are not at all backward when a fellow has a

car like BARNEY'S. A lusty yell just before the BEARS go into action. Baylor's four good looking MAJORETTES and the last picture is the DORMITORY

ORCHESTRA led by HAROLD SCHATZ.

JUNIOR-SENIOR BANQUET

One of the highlights of the social year at Baylor was the annual Junior-Senior banquet held on the night of February 7. The banquet was carried out according to an Indian motif. Music and entertainment took the form of some typical Indian dances, Indian music, games, and additional music by the University Scots. All who attended were presented with Indian head-bands at the door and this touch completed the Navajo decorations.

THE UNIVERSITY SCOTS

The University Scots have furnished much of the musical talent for many of the local university functions, including banquets given by various clubs on the campus and chapel programs sponsored by the classes during Homecoming Week. Dub Rogers is the congenial maestro and business manager for the group, having taken over the duties formerly undertaken by Joe Kendrick. The Scots played for the Round-Up Variety Show, at which the 1941 Baylor Beauties were presented.

SOPHOMORE

The 1940-41 Sophomore Banquet

Querido Señor,
yo te respeto muchísimo,
señor. Espero que tendrá una
vida muy feliz.

Linton Henderson

Remember this one thing is true,
We saved this space. It's just for you.
And if your picture isn't here,
Remember that we preached all year.
So get one made before you age,
And paste it right here on this page.

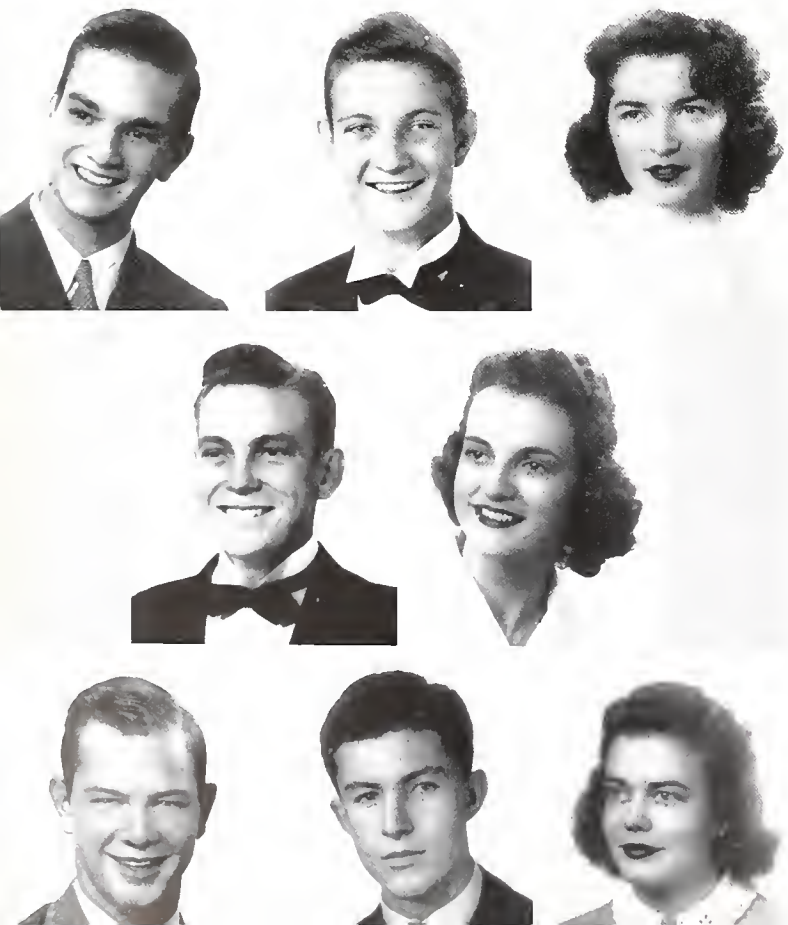

Handwritten note in blue ink:
I hope you will come to the church soon.

FOOTBALL

COACHES RUSSELL, WOLFE, JENNINGS, CROW, HENDERSON AND COLEMAN

FOOTBALL 1940-1941

By DOW HEARD AND JAMES FARLEY

Grey-headed Morley Jennings ended his fifteenth year coaching regime at Baylor University with the most disastrous season the veteran mentor has ever experienced. "For of all sad words of tongue or pen, the saddest are these, it might have been," must have been written with Baylor's 1941 football season in mind. Fickle Lady Luck frowned on the 1941 gridiron campaign, when, if she had been a little kinder, the Bears might have had the greatest team in history. Jack Wilson, the monarch in moleskins, was cut down in the Denver fray, thus depriving the Golden Bruins of their key player and the man around whom the Baylor offense was built.

Potentially the most powerful team which Jennings has had an opportunity to tutor, the 1941 edition of the Green and Gold was a failure if games won or lost are taken as a criteria. But age-dusted reports of games won or lost are no fit memorials to such a fighting team. Scribes say that the history of the 1941 season will be in the tight-shouldered type of the record-book, but the students aver that it will only be embalmed there. The story of last season's games will die with those who saw the Green and Gold-clad warriors perform. Baylor upheld the tradition of fighting Baylor teams.

In games—and two games only—Baylor lived up to her promise. Vaunted Texas A. and M. was outfought and scared to death by Baylor at Homecoming in Waco, before the Cadets

Jennings shows Marshall how.

triumphed, 14-7. The other peak performance of the Bruins was the 7-0 defeat which Baylor racked up against Clipper Smith's colorful Villanova Wildcats in San Antonio.

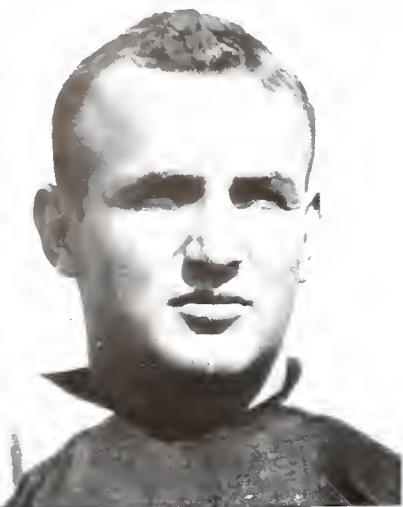

Baylor blew both hot and cold. When the Bears were hot, they ran wild, but when they were cold they couldn't run through a paper hoop. Indicative of the team as a whole was that limber-link-of-lightning, Dwight Parks, who at times flashed scintillating form and in other games looked like a novice. Despite the season's record, Baylor had her stars. Jack Russell established himself as one of the country's greatest ends. Liberty's All-America eleven, chosen by the football players of the nation, selected the Cleburne husky on the second team, and the giant sophomore flanker was a unanimous All-Conference nominee. Rugged Jack Anderson was immovable in the line and was recognized as one of the Southwest's deadliest tackles. Mercurial Jimmy Witt was one of the leading ground-gainers and scorers in the conference, and Bob Nelson showed his true merit when he was named the best pivot-man in the New Year Day bowl clashes on January 1, 1941. Milton Merka was perhaps the steadiest man on the Bruin squad and the other players were more than adequate. The trouble came when they failed to work together as one cohesive unit.

Jack Sisco's North Texas State Teachers' College, Villanova's hustling Wildcats, Denver's strong-armed squad and Tulsa's rugged gridsters bowed in defeat to the Bears. But Baylor's six losses to the other Southwest Conference members placed the Bruins in the cellar.

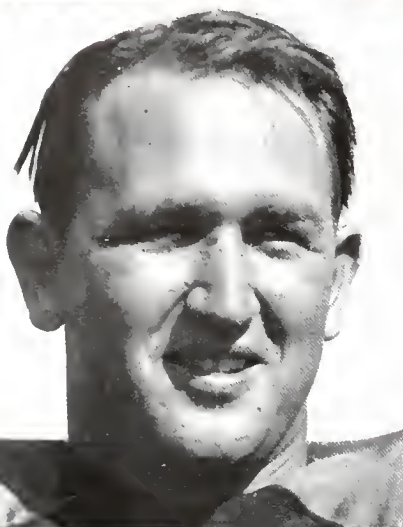

As the immortal Shakespeare would have put it in a few words:

"But as the unthought-on accident is guilty
To what we wildly do, so we profess
Ourselves to the slaves of chance"

NORTH TEXAS STATE TEACHER'S COLLEGE

Scoring two touchdowns in the first six minutes of play, leading 21-0 in the second quarter and apparently on the way to an easy win, the Bruins managed to stave off the passing North Texas Eagles for a 27-20 triumph in the opening of the season.

Disappointing was the initial showing of the charges of Coach Morley Jennings, an eleven which had been praised highly by early season dope and picked to finish among the top three teams in the Southwest Conference race.

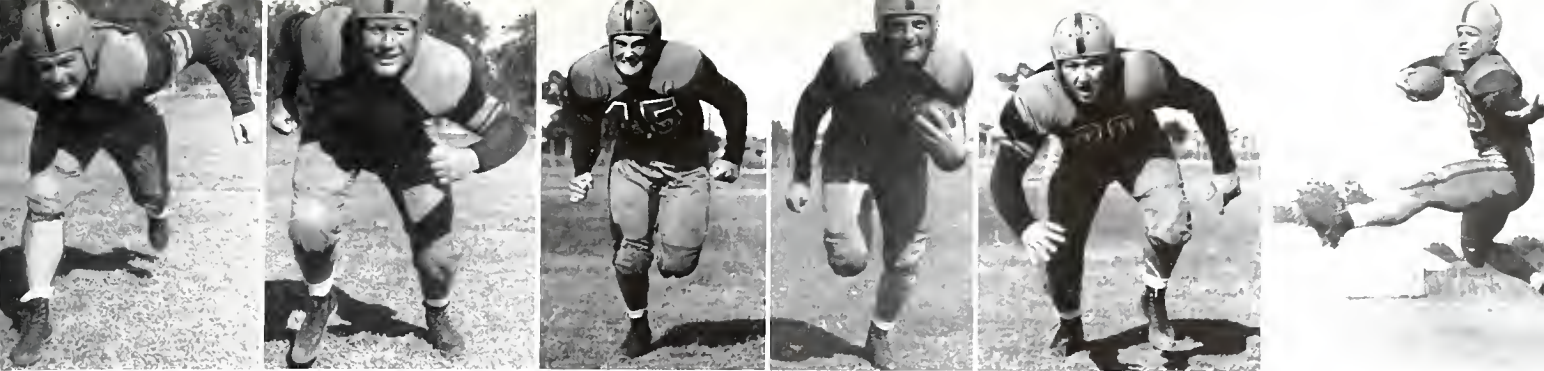

Hardly before the last echo of the opening whistle had died away the Green and Gold team held a 14-0 lead. Jack Lummus, Baylor end, recovered an Eagle fumble on the North Texas 27, and Jack Wilson tore around right end for the marker. After the ensuing kickoff, Bob Nelson, Bruin center, intercepted a wild pass and carried it 18 yards for the second Bruin tally.

Baylor made it 21-0 mid-way in the second period when little Bill Coleman shot a beautiful pass to Jack Russell that went for a 42-yard gain, to the Denton 19. Coleman hit Jimmy Witt for the score.

Here the Denton aerial attack finally hit its stride as Riola tossed to Williams for a touchdown just before the half. After the rest, Riola completed another payoff pitch to Covine from the Bruin 20 to make the score 21-14.

Baylor showed her touted power for the first time as they came back from the sting of the second Eagle score to march from the kickoff to pay dirt. Wilson climaxed the drive by plunging over from the four-yard line.

Riola again sent chills up the backs of Bruin supporters by completing another all-the-way heave. He tossed a beautiful pass to Williams, who took the pigskin in stride and raced 20 yards to score.

Baylor was stopping another Eagle drive as the game ended.

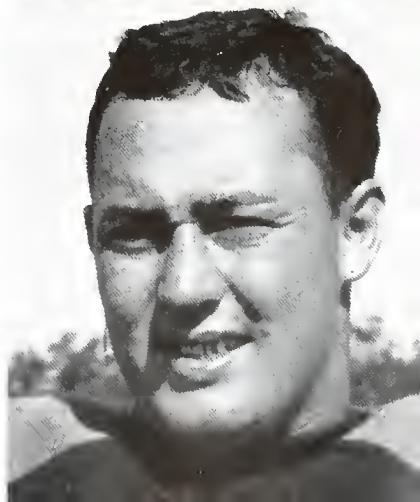

DENVER UNIVERSITY

Never in the history of Baylor University football was a win more costly than in the second game of the season in which the Bruins fought off a determined Denver University eleven for a 14-7 victory on the Colorado team's gridiron.

Jack Wilson, spark-plug and the cog around which the entire Baylor offense had been built, was carried limp and unconscious from the field in the second period. The big Bruin back suffered a kidney injury when tackled by Sam Sugerman, Denver fullback. Wilson had taken a short pass on the play and had fought his way ten yards down field when he was brought down hard, falling on the ball.

The Bears, fighting furiously after Wilson's injury, marched to a 7-0 lead midway in the second period. Jimmy Witt, Baylor's great running back, made a sensational one-handed catch of Bill Coleman's pass from the Denver four for the score.

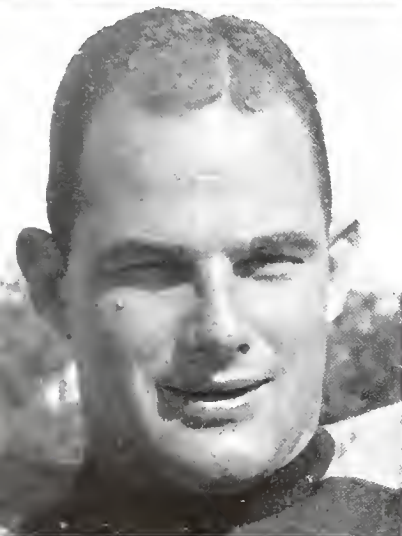

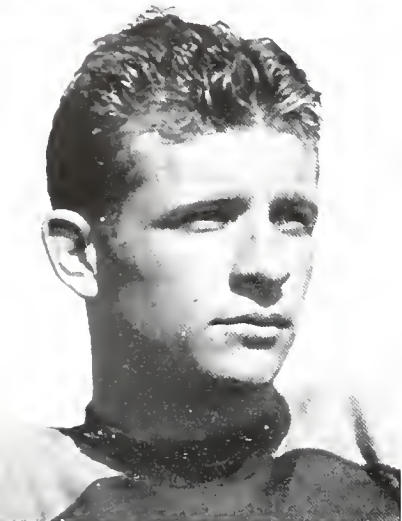

Denver came back in the third quarter to tie the game up. A 71-yard kick which went out on the Baylor one-yard line, set the stage. Coleman kicked out to the 32 and the Baylor line held and took over on the 22. On the first play Milton Crain, fullback, fumbled, Denver recovering. Without huddling the Denver team pulled the old but effective hideout play. Riddell passed to Sugerman, who slid over the goal line as Travis Nelson collared him.

At this point the Bears showed the makings of a great team. Coleman took the kick-off and almost got away for a touch. He was finally stopped on the Denver 43. After tossing a pass to Lummus, Witt faked another pass, cut over his left tackle and eluded six men on his way to pay dirt.

The Bears were a truly great team in this game.

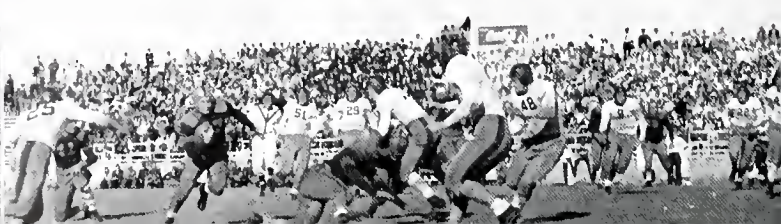

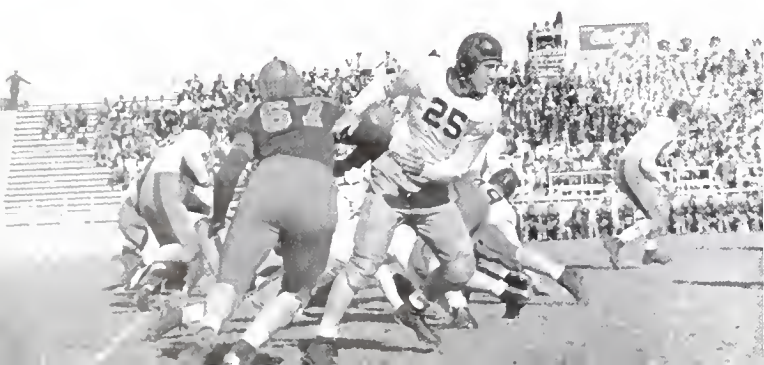

ARKANSAS UNIVERSITY

A scythe-like Arkansas offense, whetted to Razor-sharp efficiency, beat down a hapless Baylor eleven 12-6, October 12, in an inspired display of power and finesse that left a crowd of 6,000 at Bailey Stadium amazed at the versatility of the Porkers' attack.

Porcine perfection is the only way to describe the melee in which the Bears gave their most disappointing performance of the season. Still stunned by the loss of Jack Wilson, Coach Jennings' squad allowed the red-panted, lanky Ozark lads to outplay and out-think them at every turn.

From the start of the game it was apparent that it wasn't Baylor's day. When the second quarter got under way, the Arkansas lads got their air and ground attacks functioning and Aubrey Neal swung around left end, threw off Jack Lummus, and with six blockers acting as a convoy traveled 32 yards in a great deal less than the traditional Arkansas Traveler time.

Baylor got under way in the third quarter when Barnett pounced on a fumble on the Arkansas 30-yard line. Dwight Parks faded back and lofted a pitch to Jack Russell for 18 yards. One pass fell incomplete and then Parks drifted back again and heaved to Jimmy Witt on the three yard line. Big Milton Crain smashed over for the score. Nelson missed the extra point because of a bad pass from center. And Baylor was through for the day.

The Porkers got the kickoff and marched 64 yards to score the winning touchdown. The pay-off thrust was a 27-yard pass to Red Hickey from scatback Hamburg.

Dwight Parks handled the offensive for the Bruins, and Jack Russell and Ed Hickman performed best in the line.

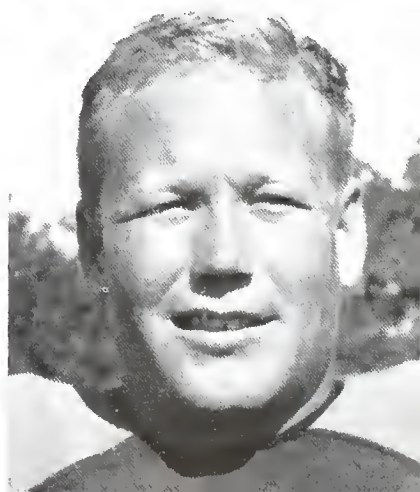

VILLANOVA

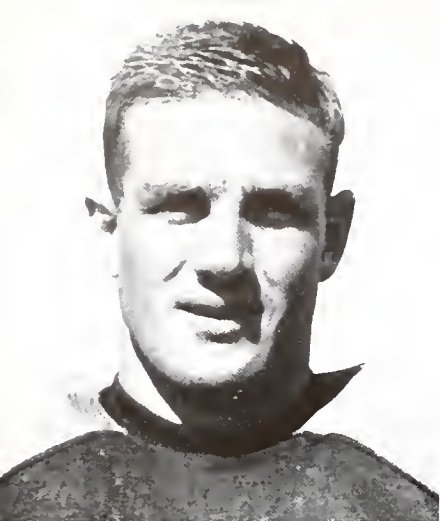

Precision-drilled Villanova fell before the savage line play of the bruising Baylor Bears in a classic struggle 7-0 before 15,000 partisan Southwest conference fans under the San Antonio stars on October 19 in Alamo Stadium.

Savage Jack Russell, one of the outstanding flankers in the nation, was the star of the evening affair and played his best game of the season. Time and again, the burly Bruin smashed through to toss the Wildcat passers for huge losses. In the third period, Coach "Clipper" Smith, one of the foremost Notre Dame Style mentors, saw his team get control of the ball on the Bruin 25-yard marker with first-and-ten to go. The four tackles that tossed the Philadelphia team for those minus fifty yards were made by Russell.

Villanova, led by Nick Basca, All-Eastern back of last season, was trounced far more soundly than the score indicates. Baylor led in first downs with nine to seven, but Villanova showed only a net gain of 32 yards due to heavy losses when the Baylor forwards smothered the passer.

Flawlessly-drilled and putting on a colorful show, the Villanova eleven entertained the crowd of South Texans. But the fans saved their gasps for the sterling defensive play of the Baylor line. Bob Nelson played one of his best games of the season and knocked out three Wildcat backs. Godbold, Willis and Koch were other defensive luminaries. Dwight Parks sparked the Baylor offensive which marched 49 yards on six plays in the final quarter to score the decisive touchdown.

TEXAS A. & M.

Indomitable spirit made a Baylor team--beaten, discouraged and minus its greatest star--rise from the ashes of disappointment to superlative heights and fight its heart out for a Homecoming crowd of 20,000, before it went down in heroic defeat, October 26, by the score of 14-7, at the hands of the potent Texas Aggies, best team in the nation that week.

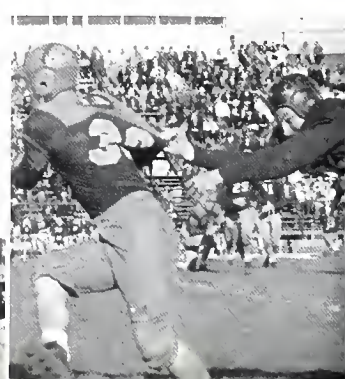

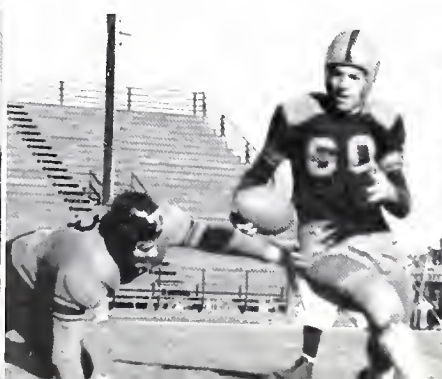

Football's fabulous full-back, "Jarring John" Kimbrough, the 222-pound Haskell Hurricane, was not accustomed to such treatment as he received that memorial afternoon. Twenty-six times the All-American Cadet threw his Herculean might against the Green and Gold forward wall. Those 26 bull-like rushes netted a total of 72 yards, an average of 2.76 yards per try which is a pittance for the mighty Aggie.

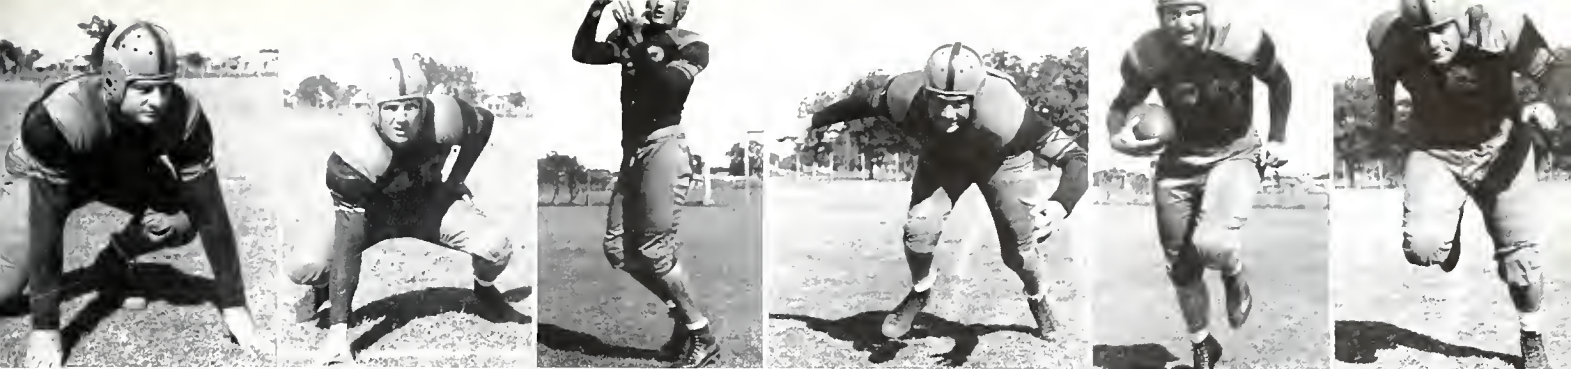

Coach Homer Norton's galaxy of stars wasted little time in starting the scoring fireworks. Midway in the first quarter, the Farmers marched 35 yards to ore-bearing territory with Bill Conatser, the fleetest of the Aggies, dynamiting over for the tally. That concluded the scoring for the first half. And when the Baylor team left the field at half-time the crowd rose as one man to pay tribute to a team which was stopping what looked to be irresistible power.

Luck played a prominent part in the Cadet's final scoring foray, which came in the third quarter. A clipping penalty gave the A & M eleven the ball on the five-yard line, and the sport writers were marking up a tally for Kimbrough when the Bears held and kicked out. Then gambling on fourth down Marlin Jeffrey tossed a ten-yard heave to Bill Henderson, who reversed his field and swept down the sideline to score.

Baylor scored soon after on a beautiful 20-yard pass play from behind perfect blocking. Baylor nearly broke loose twice in the Robnett's guard slot and on a 33-yard dash by Jimmy Witt.

John Kimbrough called Baylor's defense the best which the Aggies encountered throughout the year.

TEXAS CHRISTIAN UNIVERSITY

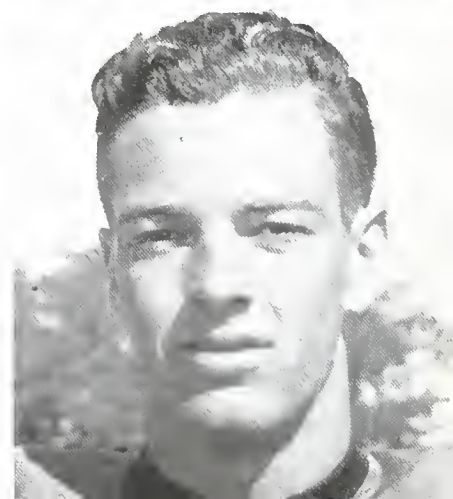

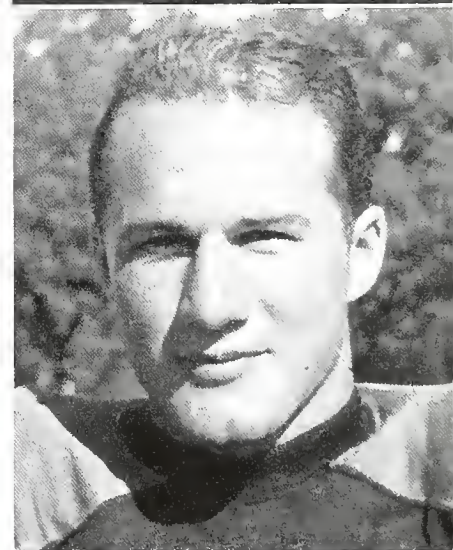

Two perfectly kicked extra-points was the difference between the Golden Bruin of Baylor and the Horned Toad of Texas Christian University when the two ancient rivals clashed at Fort Worth on an Indian Summer November 2 afternoon in a spine-tingling tilt which ended 14-12.

Texas Christian scored their first touchdown with only a few minutes remaining in the first half on a sensational lateral play which started with Frank Kring, who lateralled to Connie Sparks, with Kyle Gillespie finally getting the ball and covering the remaining 40 yards like a ghost flapping his torn white jersey in the breeze.

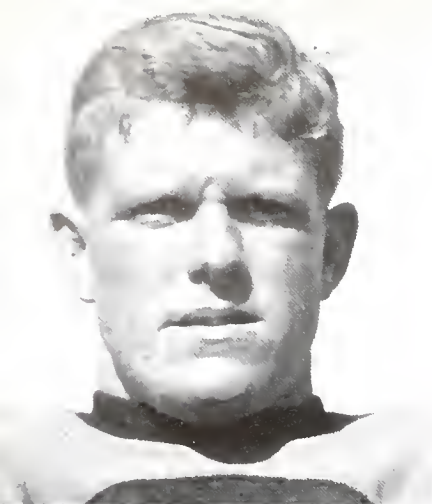

Two minutes remained when T. C. U. kicked and suddenly couldn't find the ball which the Baylor backfield concealed. Dwight Parks nearly got loose, but the last Frog in his path nailed the flashy Baylor triple-threater. But Baylor was not to be denied and they opened their bag of aerial tricks with Jack Russell doing most of the receiving. Weldon Bigony caught the last heave on the three-yard line, and Milton Crain whammed over for the score. Griffin missed the conversion.

Two consecutive penalties called by Referee Ab Curtis on Baylor set the stage for the next T. C. U. marker which came in the third quarter. The penalties placed the ball back on Baylor 9, Parks punted out to the 34, but Gillespie was loose again and came all the way back to the 17. Five plunges and a pay-off strike to Connie Sparks covered that distance.

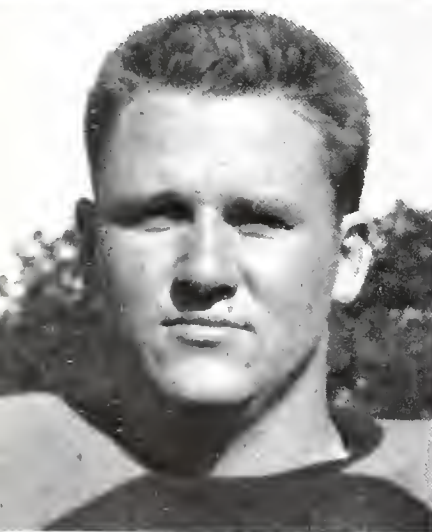

Baylor came back in the final period when Bill Coleman ran a punt back to T. C. U.'s 25-yard line. Jimmy Witt raced to the 9-yard line to set the stage for the touchdown, which came on one of the most perfectly executed plays Baylor ran all year. On a double-reverse to the left, with no blockers ahead of him, Travis Nelson went over for the touchdown before the Cowtown lads located the ball. Bob Nelson missed the extra point due to a bad pass from center.

First downs were evenly divided with nine apiece, but Coach Dutchy Myers' squad gained 203 yards to Coach Jennings' gridders' 124 yards. Great end play featured the contest with Phil Roach and Jack Russell leading their teams. Roach had the better end of the offensive duel, because of his two conversions which resulted in victory for Texas Christian, but Russell was a real Bear on defense and gained the nod in that department of play.

TEXAS UNIVERSITY

Superior speed and great punting enabled Texas' slashing Longhorns to gore a battling Baylor Bear 13-0 November 9 in Memorial Stadium at Austin in a game which can be used as an argument that brains will triumph over brawn.

Dana X. Bible, who never turns out an eleven which isn't smart and alert, trotted a team on the field that was anxious to avenge their 1939 trouncing in Waco, when the Steers lost 21-0. The 13-point defeat was the largest margin which the Bruins had chalked against them throughout the past gridiron campaign.

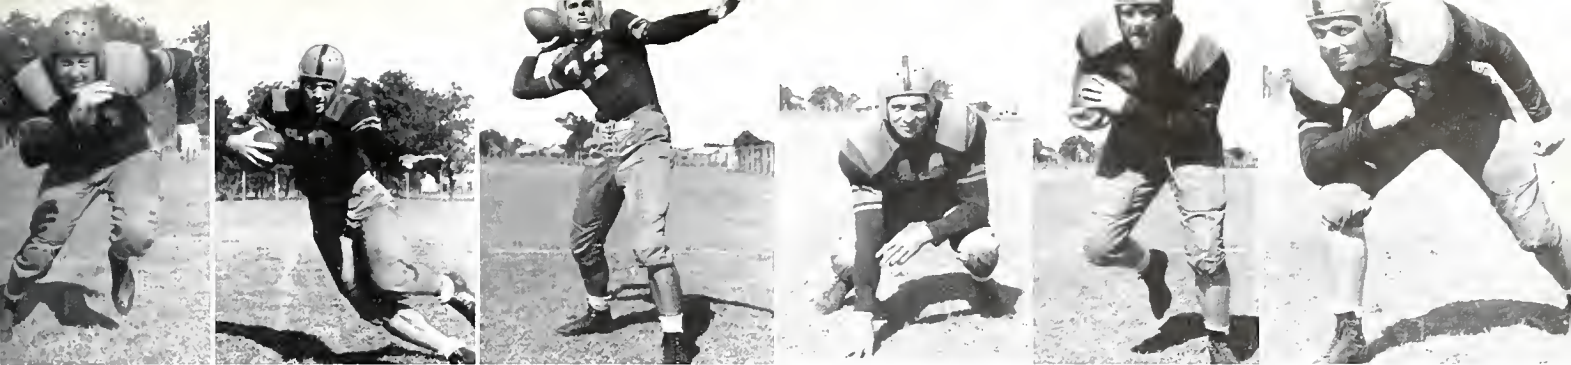

Malcolm Kutner, rangy Texas end, started the scoring in the first period when he blocked a Baylor punt which was covered on the Bears' 18-yard line. Pete Layden, star of the day, hurled a bullet toss to Kutner on the 11, and then the Texas ace smashed right tackle twice and tallied. Jack Crain, most feared broken field runner in the Southwest, converted the extra point.

Early in the final quarter Texas marched 47 yards to score and cinch the game. Layden pitched to Noble Doss on the Baylor 30-yard stripe. Crain sneaked through left tackle for 13 yards, and then Layden hit the line three times behind superb blocking to go over. Bob Nelson blocked Crain's attempted extra point.

Quick kicks by Crain, who averaged 40 yards per boot, kept the Baptists in hot water constantly. Crain surprised the Baylor safety twice with 57 and 53-yard kicks.

Bob Nelson and Jack Russell performed best for Baylor with end Jack Lummus, who recovered his 1939 form for this tilt, and guard Pat Mickler shining in the line. Baylor's offense was nil.

TULSA UNIVERSITY

Baylor's great backfielder, Jack Wilson returned to the line-up against Tulsa University after a six weeks' absence. Result: Baylor 20, Tulsa, 6.

Enlivened by the presence of Wilson, the Bruins rose up to completely outplay an opponent, rated as the heavy favorite by the experts, for their first win in their last four starts.

Wilson celebrated his return to action by chalking up the first touchdown. Running with power that made one wonder how he could have been seriously injured, the big Bruin line-shredder stormed through the Hurricane forward from the six yard line to pay dirt.

In the third period the Grizzlies went another touchdown in the lead. Buddy Gatewood, reserve center, covered a Hurricane fumble on the Tulsa 33. A neat reverse Wilson to Witt, completely fooled the Oklahoma team and Witt traveled to the five-yard line before being hauled down. Milton Crain plunged for the score.

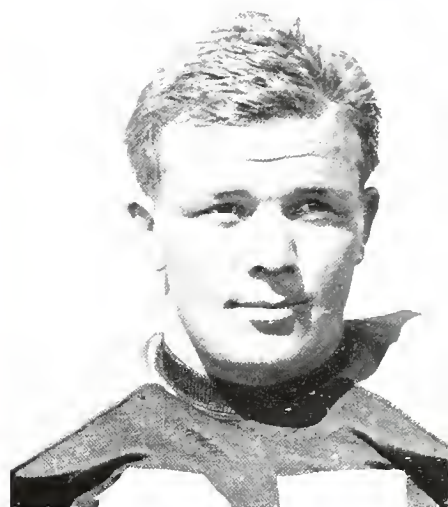

A short time later the Hurricane featured the passing of slender Glynn Dobbs to chalk up its only score. Dobbs, one of the best passers to play in Waco during the season, fired a 33-yard bullet to Strow in the end zone for the counter.

Little Bill Coleman showed the entire Tulsa team a speedy pair of heels in the final quarter as he marked up the last Baylor score. Taking a pass from Travis Nelson on his own 40, Coleman dodged two Tulsa defenders, hit for the sidelines and was never headed.

SOUTHERN METHODIST UNIVERSITY

Fleet Bobby Brown, Mustang quarterback, splashed 39 yards in the third quarter of a mud battle to give the S. M. U. Mustangs a 7-4 victory over the Bears.

Playing in a constant drizzle that often became a blinding down-pour, the two teams used the old tactics of punt and hope for a fumble. The mud and water was so deep on the field that often players would bend down and wash their faces and hands in the ankle-deep water.

The first half was strictly a punting duel with big Jack Wilson keeping the Ponies far away from the Green and Gold goal line with some sensational booting. He got off two beautiful kicks to set the Mustangs back on their heels. One went for 64 yards and the other for 65 yards. The Mustangs made the only first down of the opening half on Ray Mallouf's 50-yard gallop.

Presto Johnston, the Mustangs' versatile back, set the stage for his team's touchdown when early in the fourth quarter he sent a well-placed kick out on the Baylor four-yard line. Brown took Wilson's kick on the 39, slashed to his right and raced to the northeast corner of the field untouched.

In the waning minutes of the game Baylor made a desperate attempt to score, forcing the Mustangs to give up two intentional safeties. The first two points were given as the result of Wilson's kick which rolled out of bounds on the Pony one-yard line. Then with only 30 seconds left in the game Cliff Hagerman raced 30 yards to his own goal to kill time and give the locals another two points.

The Bruins closed out the bitter season against the Rice Owls in Houston and suffered one of their most painful defeats of the year. After leading 12-0 at half-time the locals withered in the last half and finished the 1940 grid season without a single conference victory as they bowed 21-12 to the Owls.

Jack Wilson, still showing effects of his injury, passed and sparked the locals to two quick scores in the first half. Wilson's accurate heaves to Wingman Jack Russell allowed Scamperin' Jimmy Witt and plunging Weldon Bigony to do destructive work to the Owl forward wall. Witt scored both the touchdowns after sustained Bruin drives.

Then came the storm. With the game apparently "sewed up" for the Bruins, the Feathered Flock suddenly took life, and led by Bob Brumley rang up three quick scores.

Seniors Milton Merka and Robert Nelson, co-captains, and Jack Lummus, Wilson Lucas, Jack Anderson, Don Haley, Jack Willis, Jimmy Witt and Curtis Byrd ended their college grid careers.

BASKETBALL 1940-1941

Diminutive Dwight Parks, a hustling little All-Conference guard, led the battling Baylor Bruins in their annual chase for the Southwest Conference title during the 1941 cage season. There was more interest in the dribbling sport at Baylor during the past season than in several years, and at the close of the campaign the Bears were one of the more potent teams in the South, although they finished in a fourth-place tie with Southern Methodist in conference standings at .500. Six wins and six losses was the final tabulation.

Baylor's "thump, thump brigade" was a collection of stars who had their hot nights, but when the Baylor basketballers were cold, they were frigid. Smooth-playing Grady Vaughn developed into one of the best floor men in the conference. Jack Wilson blossomed from a football ace running around in a basketball suit into a sterling defensive performer. Rough and ready Joe Frivaldsky was a tough man to handle under the hoop, and Frank Bryski turned in several games in his 1940 season form. Mark Belew and Joe Terry led the Baylor assault in a few fracas.

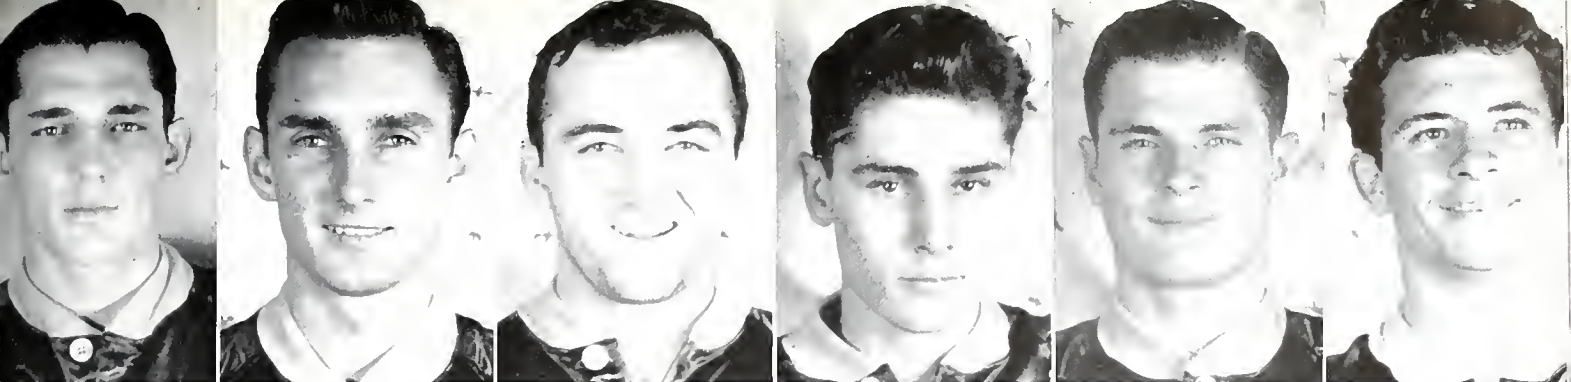

Coach Ralph Wolf turned his typically-coached team loose against Texas Christian, tradition door-mat of the league, in the initial encounter of the season at Fort Worth to win a 40-32 verdict. The Bruins exhibited a tight defense and a deliberate offense. Grady Vaughn led the scoring parade with 15 points.

Coming from behind three times, Baylor cashed in on 12 charity tosses to ease past the Southern Methodist stampeding Mustangs 34-30 to rack up their second conference victory in the Rena Marrs McLean Gym. Dwight Parks started his campaign for All-Conference honors by slipping 14 points through the basket.

First loop loss of the season for the white-and-green-clad cagers was the rough, 52-32, game which the Bears dropped to the Rice Owls in Houston. Thirty personal fouls were called by

the referees as "Bat 'Em Bob" Kinney tallied 16 points. Joe Terry meshed 9 markers. According to Associated Press dispatches, Jack Wilson displayed some of his best football form when he entered the game in the final minutes and fouled out.

Texas A&M's "Jitterbug" Henderson, who beat the Bruins on the gridiron with a circus catch last fall, again proved to be the Baylor Nemesis when he batted a goal in which less than a minute to play to enable the Cadets to chalk up a 33-31 triumph at College Station. Henderson was high-point man of the evening with 17 points credited to his record. Bryski tabbed 10 points to lead Baylor's offense in the fourth conference tilt of the year.

Crushing the hapless Frogs for the second time this season, Coach Wolf's boys easily beat down a belated rally by Texas Christian to win 48-39 at Waco. Groseclose led the scorers with 13 points, while Frivaldsky was high for Baylor with 11 points.

Southern Methodist's Mustangs were jerked rudely out of second place by the resurgent Baylor Bears 55-45 at Dallas as the Bruins made their bid for the title. Dwight Parks, with his jump-shot hitting perfectly, jammed 14 points through the hoop to lead the way. Baylor led 23-19 at the mid-way mark.

One of the nation's mightiest maple-floor performing teams, and undefeated champion of the Southwest Conference for the 1941 season had their closest conference tilt of the season in a 36-31 victory which the University of Arkansas Razorbacks won over the Bears. The lanky Arkansas lads won 62-48 in the first contest of the two-game series at Fayetteville. Dwight Parks played his two most torrid games of the season and amassed a total of 33 points in the series. Long John Adams was throttled more completely in this series than he was throughout the season. The Porkers had to come from behind to defeat the Bears in the final game.

Texas' Longhorns and Baylor's Bears met twice during the past season. The first time they played at Waco and Coach Jack Gray's team edged past the Bruins, 45-44, but the Bears nearly caught the Steers in a stretch drive. Denton Cooley poured in 14 points to lead his teammates and Grady Vaughn sank 13 points to lead Baylor. The second time the two ancient rivals clashed it was in Austin and the Bears turned the tables on the orange-and-white-clad Texas players and won 52-48. In breaking the Texas jinx, the Bears flashed some great offensive play in the last period. Two seniors, Vaughn and Bryski, played their best games of the season. Vaughn ran wild and scored 18 points with Bryski sinking 13 markers for second honors.

Another "moral" victory for the Bruins was all that Baylor got out of a 62-60 score game with the Rice Feathered Flock at Waco. The contest was the most exciting seen on the local court the past year. Bob Kinney and Frank Carswell, who can get as hot as any two basketeers in the conference, were both on and they led the Owls to victory. Vaughn and Frivaldsky were the Baylor standouts.

Bringing down the curtain on the 1941 season with a burst of applause, Baylor's cagers got revenge for the early-season defeat which A&M had inflicted with a 52-39 victory over the Cadets in Waco.

1940 BASEBALL

Not good, not bad—just average was the Baylor Bruin baseball team. The team, under the direction of Coach Lloyd Russell, finished third in the Southwest conference standings with a .500 average, seven wins and seven losses.

The 1940 conference race saw the Texas Longhorns capture their twenty-first league championship. The Steers annexed 14 out of 15 conference battles to finish far ahead of their second place rivals, the Texas Aggies. The championship marked the first Texas had achieved in 30 years under a coach other than Uncle Billy Disch, famed Texas mentor, replaced by Bib Falk, former major leaguer, after physicians ordered the veteran coach to retire.

Ten veterans formed the nucleus around which Coach Russell built his 1940 team. Composing the starting lineup were James Bryce, catcher; Don Haley, first base; Odis Richardson and Lonnie Kemp, second base; Jimmy Witt, shortstop; Joe Terry, third base; Adolphus Harris, left field; Jack Lummus, center field; and Rusty Radney, right field. The pitching staff was headed by righthander Sherman Barnes and southpaw Franklin Golden. Other mound mainstays were Bobby Roberts, Leslie Carlson and Clayton Harvill.

The squad opened the season with a tour into Oklahoma where they met teams from the University of Oklahoma and Oklahoma A. & M. The battling Bruins managed to grab off only one win in the four-game series. The first game went to the Aggies 8-2. The Sooners took two straight, 8-2 and 13-4. Roberts, Lummus and Carlson led the Bears to their only win.

In their first home appearance, the Bruins were smothered 5-0 by the visiting Sooners. However, the Bears gained sweet revenge the next day by blasting out a win over the Oklahoma nine, thanks to Harris' hitting and Barnes' hurling.

The Bruins opened their conference campaign in fine style, setting the S. M. U. Mustangs down by a 6-1 count. Barnes and Golden choked the Ponies off with two singles in the abbreviated seven-inning contest.

Jumping on Golden, Barnes and Roberts for 13 hits the University of Texas' pennant-bound Steers annihilated the locals, 14-2, in Austin in the second loop game. Witt, with a double and a single, was the only Bruin able to solve the offerings of Mel Deutsch and Dumke. In their next clash the locals collected a 10-4 setto from the Rice Owls. Hitting by Lummus, Harris and Witt were features.

Then the Bruins hit their biggest snag of the season in the form of the supposedly inferior S. M. U. Ponies. The Mustangs nosed out the Bruins in both games of a Dallas series, 9-8 and 3-2. The Grizzlies were sailing along in runner-up post until the disastrous series.

On consecutive weekends, the Bruins gathered a 6-0 clash from T. C. U., and dropped a 9-7 encounter to the Texas Aggies. Golden set the Frogs down with four hits as Witt and Radney did heavy stickwork.

The mighty Texas Longhorns rolled into town and buried the Bruins under 10-0 and 22-4 scores. Big Mel Deutsch gave the Bears only two hits in the opener, while Bill Dumke handcuffed the locals in the second clash. The Steers murdered three Baylor hurlers for 18 safe blows in the runaway.

On a weekend road trip the Baylor nine took two wins out of a three-game series, sweeping two from Rice but losing 5-1 to A. & M. The trip pushed the locals into fourth place in the league standings.

The Bruin baseballers closed out their season in a blaze of glory by nosing out T. C. U. in two ten-inning games to finish third in the conference standings. Big Joe Terry presented the locals' the first game by slapping out a double with two men on for a 12-10 victory. A story-book finish which saw the Bears score four runs in the tenth inning provided the winning margin in the 6-4 finale.

Thus is a resume of the 1940 Baylor Baseball record—not good, not bad—just average.

CARLSON, TENNISON, TERRY, BOLGER, KEMP, RICHARDSON, WILCOX

TEDDY LYONS, the greatest diamond performer the Bears have ever had returned to the Baylor campus for the annual homecoming activities the weekend the Bears met the Aggies. The famous Chicago White Sox pitcher was honored on Saturday, November 23, when this day was officially declared Teddy Lyons Day at Baylor and in Waco. He was presented with a gold plaque at the half of the Baylor-SMU game by President Pat M. Neff.

The 1940 edition of the Baylor track team proved to be one of the strongest in several years at the Baptist institution. Coach Bill Henderson's charges, gradually gaining strength in Southwest conference track circles, captured two individual firsts and fifth place in the conference meet.

The local aggregation of thinly-clads was built around tawny Jack Wilson, weightman; Dub Walters, Pete Creasey and David Andrews, highjumpers, and Dwight Parks, sprinter. Wilson established himself as the class of the conference in the shot put event by winning this event at Austin over two former champions. Walters and Creasey tied for top honors in the league high jump with Andrews finishing fourth.

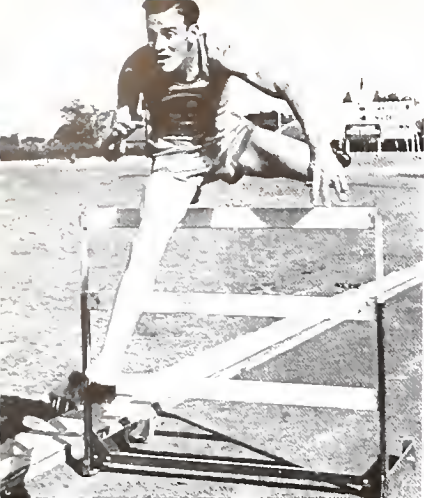

RESULTS OF SEASON'S MEETS

The Bruin thinly-clads opened the season by participating in the Border Olympics, held at Laredo, finishing fourth. Wilson won the javelin toss with a throw of 205 feet. Walters captured the high jump. Creasey finished second in the high jump.

The trackmen did better than was expected in the strong Texas Relays, one of the outstanding meets of the year, by placing in three events for a total of six points against the nation's best competition. Wilson was fourth in the shot put and third in the javelin. Walters and Creasey were third and fourth respectively in the high jump.

In a triangular meet at Dallas the S.M.U. Mustangs amassed a total of 65 points to defeat the Bears, second with 54 points, and the T.C.U. Horned Frogs, who garnered 46 points. Baylor point-getters were Dwight Parks; James Todd, half-miler; Creasey; Andrews; Walters; Wilson; Bigony, broad-jumper; and Ed Hickman, quarter-miler.

TENNIS

One of the best balanced tennis squads in years went through a very successful season during the spring of 1940. There were more powerful teams played during the season than in a number of years. Among these teams were found the University of Colorado, Oklahoma A. and M., Wayne University, University of Oklahoma, Texas, Denton Teachers, S. M. U., Texas A. and M., T. C. U., Rice; and the team also made a creditable showing in the Conference Meet which was held in Houston.

Lewis Hilley was the most consistent racquet wielder with Tasker Haynes, Joe Cornelison, and Joe Harris making up the regular four member team. Roy Levy and Charles Barrow won a number of matches for the Bears. Charles Blalack served as both varsity and freshman manager.

Coach Froggie Coleman's swimming team proved to be the most talented and versatile of any squad since Baylor began competing in water sports several years back.

Besides winning many honors in the meets they entered, the Bruin tankmen also put on the "Aquacade," a water carnival which met with the unanimous approval of all who were privileged to see it. The show was made up of group swimming, races, diving exhibitions and clowns. The success with which this show met destines it to be an annual affair.

Outstanding individual performers of the year were U. A. Young and Bland Swarting, whose spectacular diving pleased the students and won them top honors in all of the meets they entered.

1940 FRESHMAN FOOTBALL

By LYLE MOECKEL

As the 1940 freshman football season opened, prospects for even a fair year seemed very dismal, for Baylor supposedly had drawn its poorest crop of high school gridders in recent years.

Early practice sessions revealed outstanding ball players, but as a whole the team appeared very weak, and little hope was held for the Cubs' chances when they took the field against Kilgore Junior College in their season's opener.

Jim Crow's charges really spilled the dope bucket, however, and came up with a stunning 13-7 upset over their highly-rated rivals.

Although the Baylor first year men closed out the season with two heart-breaking losses, dropping a 13-12 decision to the T.C.U. Polliwogs, and a 19-6 tilt to the S.M.U. Colts, they played very good ball and offered promise of much help to the varsity squad next year.

1940 FRESHMAN BASKETBALL

Bill Henderson's 1940 Cub basketball team proved to be the most promising since the 1937 star-studded aggregation. In Bill Hailey and Jimmy Marino the Cubs had two very smooth floor men who should add much strength to future varsity hardcourt teams.

The freshmen played a six-game schedule, winning three and losing the same number. Two of the losses, however, were to the very strong Tyler Junior College Savages, a team that had won fourteen straight games before playing the Cubs.

Lettermen: Hailey, Marino, Weaver, Curry, Hill, Donovan, Witt, Johnson, Ellis, and Lake.

Coach Jim Crow's 1940 Cub diamond aggregation produced several bright varsity prospects but failed to be a well-rounded unit. Pitching was especially weak, and the hitting was at times even weaker.

The season record showed two wins and four defeats for the young Baylor baseballers. They opened against the University of Texas and were humiliated 14-3. The next loss came at the hands of the Textile Millers, and independent nine, 4-3, with the Cubs showing marked improvements. In a return engagement with the Millers the Bears hit the win column for the first time, taking a 7-6 victory.

The locals split a series with the Texas A. and M. frosh, losing the first encounter 11-5 and winning the second, behind Bob Millers hurling, 10-6. The team ended its schedule with a second loss to the freshmen of Texas University in Austin.

A quartet of wing-footed sprinters headed a stellar band of 1940 Cub tracksters. The team, built around dashmen Bill Coleman, Cadman Lindley, Milton Crain and Robert McAdoo, was stronger than the average Baylor freshman squad.

Rounding out the squad were Pete James, Joe Morman and W. B. Godbold, distance races; Arthur Boone, Jim Drawee, Bubo Barnett and Jack Jeffree, weights.

The team entered several meets including the Fort Worth Fat Stock Show Southwestern Relays and the Texas Relays, where they made a creditable showing. In duel meets they won from the T. C. U. freshmen, 75-60, and lost to the Schreiner Institute racers.

BAYLOR UNIVERSITY FENCING

By DON HINDS

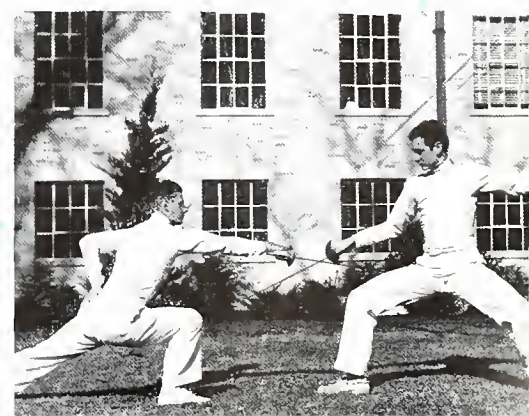

The year 1940 saw the Bruin fencers bring to Baylor the only Southwestern conference flag to be won by a Baylor athletic team during the year.

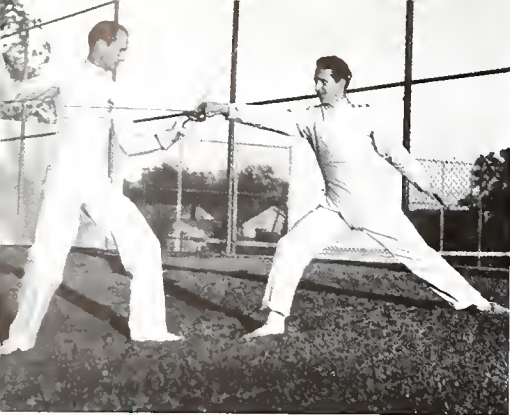

With Captain Pearce Schaudies leading the way and with Alvin Adleman, Newell Taylor, John Fall and Hal Lattimore doing a lot of classy fencing, the Baylor team proved to be well rounded.

Fighting in the southwestern division of the Amateur Fencing League of America, The Bears won five matches and lost only one, to finish second in the league standings. The Bears defeated the Dallas Y.M.C.A., the Fort Worth Y.M.C.A., Southern Methodist, Texas, and Texas A. and M. Their only loss was to the powerful first place Galveston Anicos. In the individual finals, Captain Schaudies took first place in the sabre division.

At the Southwestern Conference tournament in Austin, the Bears defeated teams from S.M.U., Texas, Texas A. and M., and Rice to win the Conference championship. The defeat of the Aggies was considered quite an upset. In individual contests Adleman and Fall took second and third place.

*A thrust by Beakley is
parried by Adleman*

*Fall is foiled again,
by Schaudies*

After the completion of the Conference season the Bears participated in the New Orleans Invitation Tournament. Schaudies won first place in the foil division and Adleman won second place in duelling sword competition.

The 1941 season began with a rather inexperienced team but by the end of the Amateur Fencing League season the team was fairly dependable. The 1941 team is composed of Pearce Schaudies; Jan Ronk, sensational sophomore; John Fall, senior letterman; Andries Sigtenhorst, hard working sophomore; George Beakley and Mose Blain, a pair of promising freshmen; and Adleman.

The green and gold fencers wound up second in their division of the Fencing League once again defeating the Dallas and Fort Worth Y.M.C.A.'s, Southern Methodist, Texas, Texas A. and M., and were once again defeated by the veteran Galveston club, the Anicos.

The spring schedule includes the Amateur Fencing League finals at Fort Worth. During the first week of May the Baylor swordsmen will be hosts to the Southwestern Conference Tournament.

PHYSICAL EDUCATION ACTIVITIES

The Service of Instructional Program in Physical Education is designed to meet the two-year physical education requirement of all students for graduation. This program provides for instruction in some thirty activities such as swimming, tennis, badminton, archery, gymnastics of several types, individual physical education, rhythmic activities of several kinds, handball, boxing, and numerous team games. The purpose of this program is to offer the student instruction in the activities of immediate interest and individual adaptation in order that he or she may develop the essential skills, knowledges and attitudes that will result in a better all-around individual. The instructional program is definitely coordinated with the health service division in order that every student will have the opportunity of correcting all remedial physiological defects and therefore be better prepared to receive full benefit from his four years in Baylor.

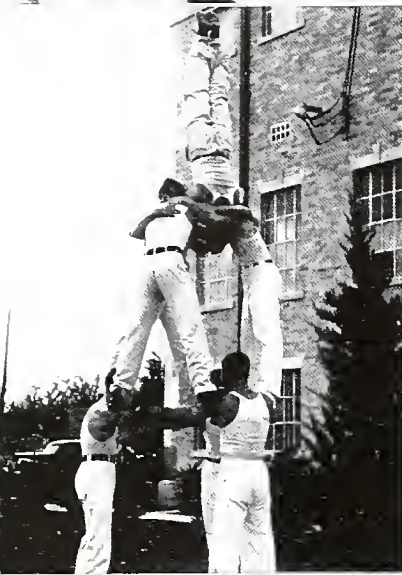

HEALTH

Baylor University is very much concerned with the health of her students, and through the health service division with its two hospitals and staff of physicians and nurses every attempt is made to aid the students in the maintenance and development of health. Students are required to have at least two physical examinations during their stay in this institution, and those suffering from physical impairments are advised and treated through the hospitals. In addition to the medical services rendered, an educational program has been instituted for the purpose of developing better knowledge, attitudes, and practices in healthful living.

RECREATION

The worthy use of leisure time is the functional purpose of the recreational program in Baylor. A recreation council composed of representatives from each department in the university has as its major project the integration of all recreational opportunities for the students and faculty members. Various groups and organizations within the school are the centers for the recreational program.

BAYLOR'S NEW COACH FRANK KIMBROUGH

A powerful Texan was introduced to 2500 cheering Baylor undergraduates on the night of February 24, 1941. Following an exciting 62-60 game which the Rice Owls won from the battling Bears, Chairman Alva Bryan, of the Baylor Athletic Council, stepped forward and announced to the crowd that "your coach—for the next three years—is Frank Kimbrough."

From the blue haze of smoke into the calcium-bright glare of the lights of the Rena Marrs McLean Gymnasium stepped the new gridiron Messiah who is expected to lead Baylor out of the football wilderness.

Member of an illustrious football family, the genial "Dutchman" comes to Baylor from Hardin-Simmons University in Abilene after six years of highly successful tutoring the Cowboys. While at the West Texas institution, Kimbrough had a winning percentage of .855. The 37-year old mentor has been coaching for 14 years and has established an enviable record.

"If hard work, effort and fairness pays dividends," the new coach smiled, "then I think that Baylor will make a good showing." Assisting the new coach will be Baylor's immortal "Botchey" Koch, who made the 1930 All-American eleven. Because of his instantaneous charge and lust for victory, Koch has been named by several sport authorities as an All-Time All-American guard.

These two masters of gridiron lore will unquestionably put a team on the field which will be consumed by a desire to win. And as a crowning touch of the new regime replacing that of Morley Jennings, who guided Baylor's football destinies for 15 years, Kimbrough told the students, "I am not taking Morley Jennings' place, I'm merely filling in."

Carrying out the desires of many net fans and under the guidance of Cal Newton, a new athletic organization was formed on the Baylor campus during January of 1941. Its aims are to promote interest in tennis by sponsoring club tournaments and home matches of the Baylor net teams and by bringing players of national reputation to the campus for exhibition matches.

Interest has been rapidly growing in the activities of the club and matches have been arranged with Texas State College for Women, Mary Hardin Baylor, and Texas University. Much credit for the success of the club is attributed to the efforts of Cal Newton.

ALPHA CHI

The purpose of Alpha Chi, national honorary scholarship society, is the liberal encouragement of scholarship. At the regular meetings, held every two weeks, emphasis is placed on the promotion of education and research with the primary aim of developing fully-informed citizens and well-rounded students.

The prerequisites for membership include the completion of eighteen majors in the University, and the neophyte's rating within the highest five per cent of his class scholastically. Thirty new members were initiated into the fraternity this year.

Dr. Walter Juniper served as faculty sponsor this year. It was through his inspiring leadership and untiring efforts and the work of other officers and members of the club that such strides were made in the attainment of the ideals of the organization.

This year for the first time a gathering of the alumni of Alpha Chi was held during Homecoming Week.

ALPHA EPSILON DELTA

Alpha Epsilon Delta is a national honorary fraternity for Pre-Medical students. It has for its purpose the promotion of efficiency in scholastic work and the upholding of the high ideals of the medical profession. The Texas Beta Chapter sponsors various programs throughout the year for the benefit of the Pre-Medical students. Payton Kolb was president for the year and Dr. W. R. Stephens is the sponsor.

ALPHA KAPPA DELTA

Sponsored by the department of sociology, Alpha Kappa Delta is a national honorary sociological fraternity dedicated to the achievement of a national order by the scientific investigation of social phenomena. Under the leadership of Elizabeth Price, president, the group has been very active in its field on the campus.

BETA PI THETA

The Theta Chi chapter of Beta Pi Theta, national honorary French society, was founded in 1927 by Professor W. M. Briscoe. The purpose of the organization is to stimulate interest, among its own members and among the students generally, in all phases of French culture. The scholastic requirements for admission into the fraternity are the completion of five majors in French with the intention of further study, a "B" average in French, and ability to understand and speak the language.

An important contribution made by Beta Pi Theta to the University is the presentation of moving pictures in French, and French lecturers. Two outstanding features of this program for the year were the movie *Harvest*, and the distinguished lecturer, Comte Jehan de Noüe, liaison officer at the evacuation of Dunkerque.

Mrs. W. M. Briscoe is sponsor of the organization, and the president for the year was John Reesing.

ALPHA PSI OMEGA

The Gamma Lambda cast of Alpha Psi Omega, National dramatic fraternity, was organized in Baylor University in 1930. To stimulate interest in dramatic activities, to secure for the University all the advantages and mutual helpfulness provided by a large national honorary fraternity and by the means of electing students to membership, to serve as a reward for their worthy efforts in participating in the plays staged by the dramatic organizations of the University is the purpose of the Gamma Lambda Cast.

During the past year the cast of Alpha Psi Omega has sponsored several banquets and a reception in conjunction with Baylor Theatre for the Chechov Theatre. Also under the faculty sponsor, Professor Paul Baker, the Alpha Psi Omega has taken an active interest in the Drama for the under-privileged. Barnett McFadden served as President for the past year.

BAYLOR THEATRE

Outstanding among the hard working organizations on the campus is the Baylor Theatre, ever-growing since its beginning in 1925.

Not content with presenting four major productions during the year, one of these by the Baylor-Civic Theatre, Paul Baker's group is this year starting something new by presenting three experimental shows.

Most exciting to the Theatre this year was the return of Woody Chambliss, now a Broadway star, and his lovely wife, Erica Kapralic, to play the leads in "Margin for Error." Other major productions were "Ghost of Yankee Doodle," "Merchant of Yonkers," "Merry Wives of Windsor," and the massive Baylor-Civic Theatre production, "Abe Lincoln in Illinois."

Sponsors of the Organization are Director and Mrs. Paul Baker.

BETA BETA BETA

Beta Beta Beta is an honorary society for students of the biological sciences. It seeks to encourage scholarly attainment in this field of learning by reserving its membership for those who achieve superior academic records and who indicate peculiar aptitude for the subject of biology. It emphasizes a three-fold program: namely, stimulation of sound scholarship; dissemination of scientific knowledge; and promotion of biological research.

SIGMA DELTA PI

Nu chapter, Sigma Delta Pi, was founded at Baylor in May, 1928, and in 1939 it merged with the organization, the Pan American Club.

Sigma Delta Pi has for its aims the promotion of an interest in Spain and Spanish American countries, and the creation of a greater interest in their language, literature, culture, and civilization, thereby giving an opportunity for the practical use of Spanish.

Officers for the year were: LOUISA GUERRERO, President; ANNA BETH MERRIT, Secretary-Treasurer; and CRYSTAL SMITH, Reporter.

BETA SIGMA CHI

Membership of Beta Sigma Chi is composed of junior and senior girls who are taking the B. B. A. degree or majoring in business and who have a scholastic average of "B."

Purpose of the club is to further friendship among girls of the school of business, to promote the ideals and to raise the academic standards of work done there, and to create contacts of value in the business world.

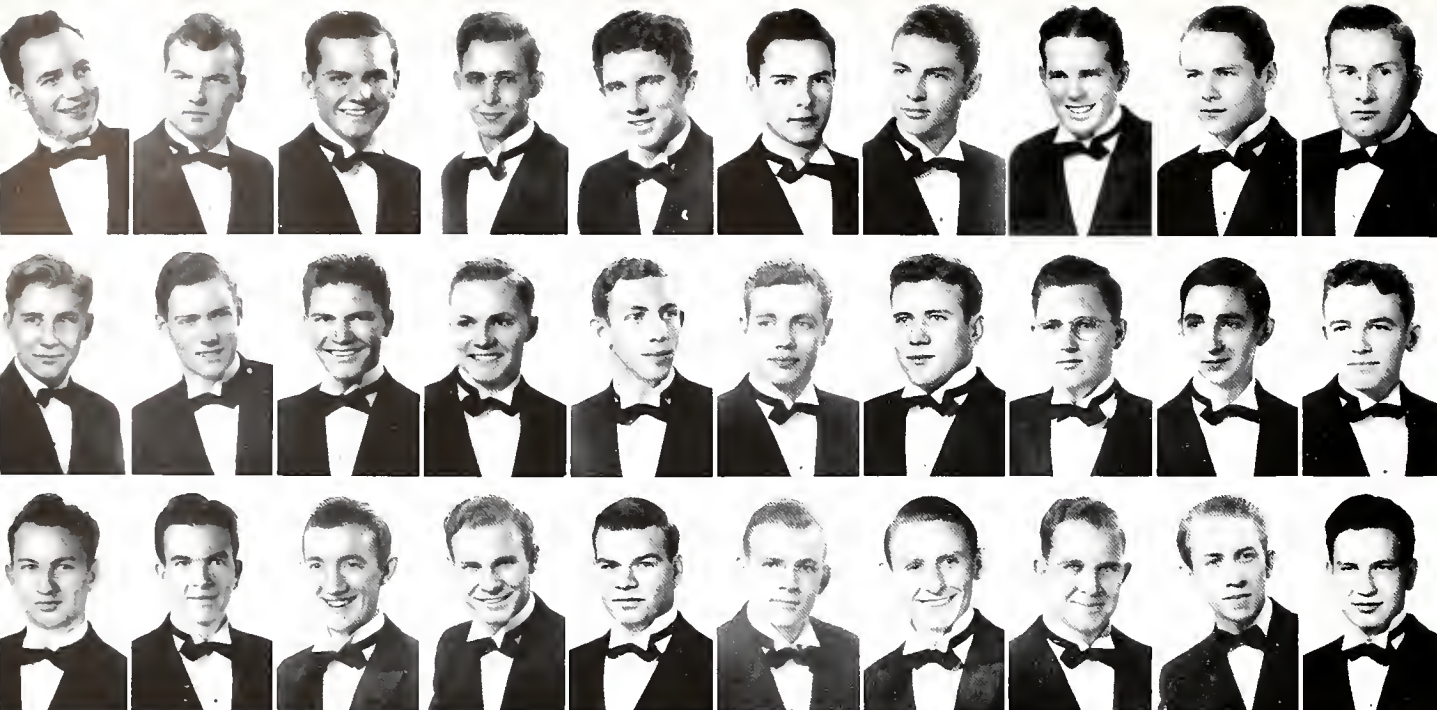

Sponsors of the organization are Mrs. Mildred Johnson and Mrs. E. M. Shirley.

DELTA SIGMA PI

Ten years ago on December 6, 1930, the Beta Iota Chapter of the International Fraternity of Delta Sigma Pi was installed in the Baylor school of Business. The first chapter of the fraternity was founded at New York University, School of Commerce, Accounts, and Finance on November 7, 1907.

The purpose of the fraternity as set forth in the constitution is, "To foster the study of business in universities, to encourage scholarship and association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture and civic and commercial welfare of the community."

The national fraternity is of high rank in the fraternity world being one of the largest professional fraternities and is a charter member of the professional Interfraternity Conference.

The Beta Iota Chapter has been on the Honor Roll of the Chapter Efficiency Contest of the fraternity for the last several years.

"Deltasigs" on Baylor's campus have set out on a broad program of business, professional, and scholastic activities for their tenth year.

Highlight of the year, was their Anniversary Week, December 14th, when they climaxed their celebration with a banquet and reception to which over 400 guests were invited. Also, outstanding was their formal banquet of February 22nd, a Homecoming Dinner honoring visiting exes, and Overall and Apron party, and several picnics and parties held in the spring.

*The Deltasigs hold
a reception.*

The professional activity was chiefly composed of professional meetings once a month at which some outstanding business man spoke. Also, two industrial tours were held during the year.

At the close of the year the Delta Sigma Pi Scholarship Key was awarded to the highest ranking senior in the Business school. The activities of the school year are to be closed by a reunion in the middle of the summer.

KAPPA DELTA PI

International honor society in Education, Kappa Delta Pi, encourages in its members a higher degree of consecration to social service by fostering high professional and scholastic standards during a period of preparation for teaching and by recognizing outstanding service in the field of education. Having for its motto "Knowledge, Duty, Power," Beta XI chapter was installed in Baylor University in 1929.

Membership is limited to those who are majoring in Education and rank in the highest ten per cent of the student body in scholarship.

At its monthly meetings the society combines social and fellowship features with the discussion of professional problems.

Dr. M. L. Goetting is sponsor of the organization; co-sponsors are Miss Lillie L. Martin, Dr. Lorena Stretch, and Professor E. H. Sparkman.

Officers for the year are: President, Grace Elizabeth Wilson; Vice-President, Evelyn Palmer; Secretary, Dorothy Nell Short; Treasurer, Dr. Stretch; Historian, Willyan Snow; and Reporter, Christine Dillard.

PI GAMMA MU

Pi Gamma Mu, National Social Science Honor Society, was the first honorary organization to be established at Baylor. The date on the charter, now in the Texas History Library, is December 1, 1924. Listed among the charter members were several present faculty members.

The purpose of the organization is to encourage high scholarship in the study of social sciences and to stimulate graduate work in a definite field in one of the sciences.

Three meetings are held each term: one for the initiation of new members, one for a program concerning some field along the line of social science, and one in the form of a dinner or a picnic.

At the fall term initiation there was the largest number of new members ever initiated at one time in the history of Baylor's chapter.

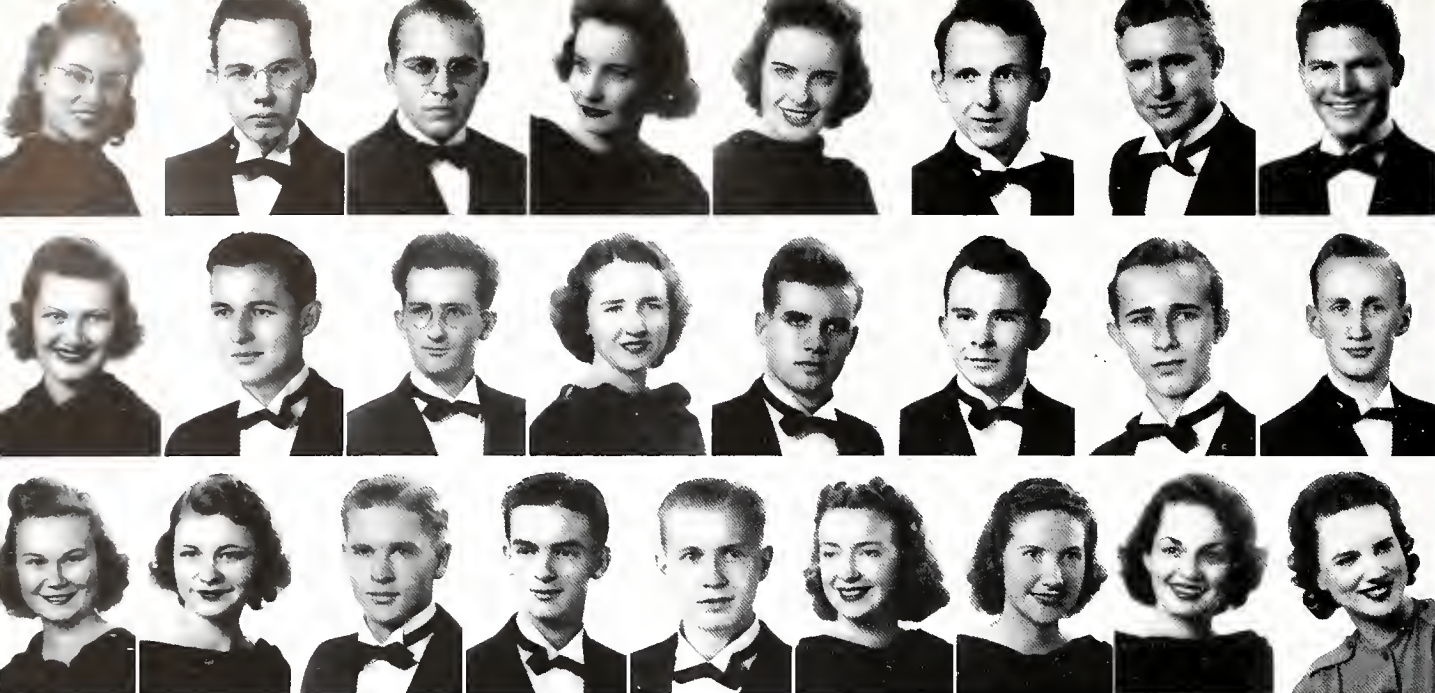

The new sponsor, Dr. B. O. Herring, entered enthusiastically into the program of the organization.

SIGMA TAU DELTA

The Baylor chapter of Sigma Tau Delta, professional English fraternity, continues this year its series of Baylor Culture Course programs, featuring two major contemporary poets—Alfred Noyes and Robert Frost. The bi-monthly meetings of the Lambda Alpha chapter stress discussions by members of various phases of culture, art and literature. During the year several prominent speakers appeared before the club. Faculty sponsor is Dr. A. J. Armstrong. Officers are Roy Levy, Raymond Hankamer and Beth Turner.

CLASSICAL CLUB

Purpose: To stimulate interest in the Classical studies and to promote on the campus a clearer understanding of those aspects of the civilization and culture of Ancient Greece and Rome which have contributed to modern thought.

Membership: Students of the Greek and Latin classes, past and present; other students who have a definite interest in the purpose outlined above. President is El Nora Dyer; Sponsor, Dr. Walter H. Juniper.

ALEXANDER HOUSE COUNCIL

The House Council of the new freshman dormitory, Catherine Alexander Hall was recently organized with ten members.

The Council serves as an advisory board, strives to further a spirit of unity among the students, provides a social program for the dormitory, creates and maintains high ideals for the girls of the dormitory, and encourages them to cooperate in the religious activities of the campus.

ARKANSAS CLUB

The Arkansas Club was formed on the campus to promote and foster friendship among the students who come from the Wonder State. This year they held two picnics, one each in the spring and fall quarters, and two parties in addition to their semi-monthly meetings. Jack Flanders of Little Rock was president of the club and Mrs. Iva Cox Gardiner was the sponsor of the organization.

ALPHA OMEGA CLUB

Baylor's oldest girls' club, the Alpha Omega Club was founded by Dr. C. D. Johnson sixteen years ago. The organization, a joint social-service club, has as its aim the fostering of high ideals among the women of Baylor University. Dr. and Mrs. Luther W. Courtney are the present sponsors.

A high scholastic average is required of all members. Pledges are taken into the club at the beginning of each quarter. Membership to the club is limited and admission is through vote by the club membership.

As special projects Alpha Omega Club members entertain with a tea honoring new students during the fall term, make green and gold pom-poms which are distributed to lend color at the Homecoming football game, promote a spring style show, and direct and supervise the crowning of the May Queen at the May Day Festival.

The Alpha Omega Club sponsored the winning float in the 1940 Homecoming parade, receiving a cash award and a sterling silver water pitcher.

Guests of the club members were entertained in January at a formal "Western" banquet at the Raleigh Hotel, former club members were honor guests at a Homecoming breakfast, and a picnic was given during the spring term for club members and their guests.

*A. O. Prexies Hankamer,

ATHENIANS

The Athenian Club was organized in 1935. The purpose was to establish a closer bond of friendship between the dormitory girls.

The outstanding social event was the annual banquet given at the Raleigh Hotel on January 31.

Other social events of the year included a Christmas party, a tea, and club get-together.

Athenian sponsors are Mr. and Mrs. Paul Baker, Miss Sara Lowry, and Miss Mettie Rodgers.

CHAMBER OF COMMERCE

The Baylor Chamber of Commerce was organized in 1921, its predecessor having been the Baylor Business Men's Association. Membership is limited to those male students who have been in residence two terms. All new members must receive a certain percentage of votes at a regular meeting of the organization and must satisfactorily complete a pledge period before being formally initiated. Membership is limited to fifty.

The primary function of the organization is to further athletics and promote good will around the University, but during the years it has broadened its scope toward the goal of "Doing anything for Baylor."

Each fall term the Chamber of Commerce publishes, with the aid of the Board of Publications, a registration guide for freshman and transfer students. This booklet contains all necessary information pertaining to registration and general information about Baylor.

For an entire week preceding the Annual Homecoming football game, the Chamber of Commerce sponsors "good will week." All students are asked to wear tags with their names and home towns written on them and are urged to enter into the spirit of the occasion.

On Homecoming Day a special Homecoming Parade; the floats entered by various clubs and organizations on the campus, and at a Special Ceremony during which the Homecoming Queen is selected from nominees representing the organizations on the floats. The Homecoming Queen is presented at a ceremony during the half of the Homecoming game. All during football season, small ribbons printed with appropriated slogans are sold before each game, the proceeds going to further the organizations activities for Baylor and to further athletics.

*C. C. presidents, Drury,
Boswell, Patterson*

The highlight of the organization's activities this year was the sponsoring of a campaign for the selection of a new "fight song" for Baylor. Over two thousand individual petitions were sent to Fred Waring asking him to compose an appropriate song —on December 20, 1940 Waring presented the new Baylor "Fight" song on his national broadcast.

The speaker for the banquet this year was Morris Frank, Sports Writer for the Houston Post. The Baylor Coaching staff was introduced as were all the varsity players present, and Jack Russell was presented with a trophy for his placement on the All-Conference team.

BROOKS HALL COUNCIL

Brooks Hall Council seeks to assist new residents of the dormitory to become quickly adjusted to the life of the campus; to act as a link between the boys and the administration; to sponsor certain social activities; and to foster a spirit of friendliness and good will. The council works with the administrative offices of the campus in the development and preservation of a more democratic dormitory life.

DAPS

The D. A. P. club was organized in 1935. The meaning of the letters is revealed at the initiation ceremony. The purposes of the club are to promote friendship among the girls of the Memorial Dormitory system and Waco, and to sponsor cultural pursuits and the maintenance of high ideals.

The membership is limited to twenty-five girls, residents either of the Memorial system or of Waco. Juniors, sophomores, and third-term freshmen are pledged for a term, at the end of which they are initiated, provided a certain scholastic average has been maintained. Prominence in campus activities is taken into consideration also.

The annual project of the D. A. P. Club is the presentation of some appropriate gift for the benefit and enjoyment of the Memorial Dormitory system. The social calendar of the club each year includes a tea for freshmen and transfers, a homecoming breakfast for the returning alumni, a formal banquet, and a house party.

The club also performs several social services. Each year a high school girl graduate is selected and given her graduation gown and accessories. At Thanksgiving and Christmas, baskets of food are sent to needy families. During the past year, the DAP's adopted a set of triplets in Waco and have contributed monthly to their support.

PI KAPPA DELTA

Baylor University carries on an extensive program of debate activities including tournaments, radio, extension and home debates for both men and women as well as contests in all other types of public speaking. The local program is affiliated with the National Pi Kappa Delta fraternity. Membership is granted in Pi Kappa Delta only to those who excel in debate, oratory, or extemporaneous speaking in competition with other institutions.

At the National Pi Kappa Delta speech tournament held at Knoxville, Tennessee, in the spring of 1940, Baylor debaters won first place in the entire tournament. These victories moved Baylor from fourth ranking school to first ranking school in the national ranking.

Maintaining their superior standard of debate victories, the squad travelled extensively over the Southwest, bringing home an imposing array of trophies to add to the large collection already housed at the university.

ESQUIRE CLUB

The Esquire Club, originally organized for town students only and later enlarged to include in its membership any male student on the campus, has become one of the prominent men's organizations in Baylor.

The club has for its purpose the promotion of good fellowship through purely social methods. The outstanding social event of the year for the organization was its annual spring formal given at the Roosevelt Hotel ballroom. The club also gives an annual fall and winter social.

Truett Grant, who has been active in building the organization into one of the leading clubs in the university, is now the sponsor. Men students in Baylor who cater to social fellowship with their schoolmates and who desire to become acquainted with more students on the campus comprise the exclusive membership of this organization.

FRENCH THEATRE

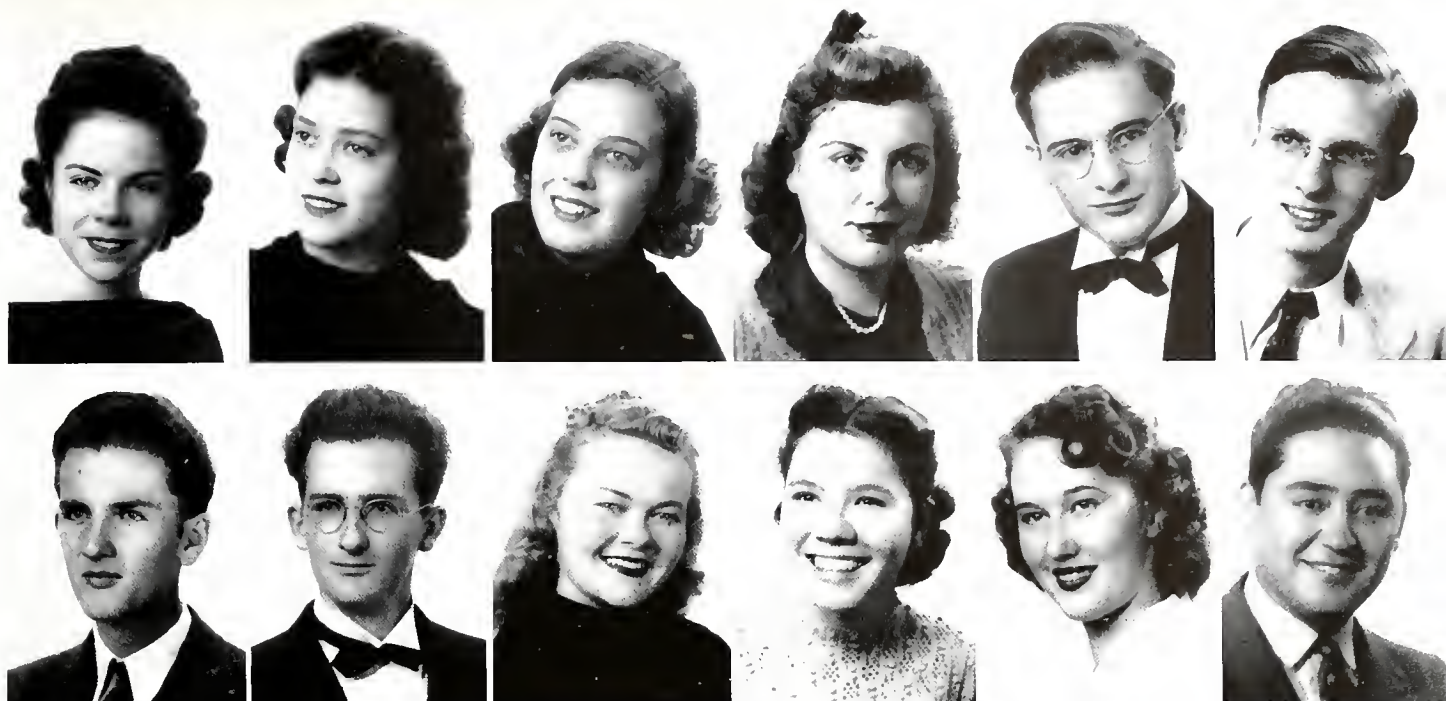

The French Theatre, an organization formed early in the Fall term of this year, is believed to be the only theatre in Texas Colleges of its kind, for it presents plays in French at regular intervals. The purpose of this theatre is to stimulate interest in French drama and to improve the French pronunciation of its members. The enthusiasm of French students has resulted in the rapid growth of this organization.

HOUSTON CLUB

The Houston Club was organized this year with the idea of bringing the students from Houston into a closer fellowship while here at Baylor. The club is purely social, and parties are given here at Baylor and in Houston during the various holidays. The club's motto is, "Bring Houston to Baylor."

Mr. Will Rogers is the sponsor of the Houston Club and he is very capable as leader and sponsor. Tommy Cole was the president for the year.

PRE-MED CLUB

The Pre-Medical Club attempts to afford its members beneficial contact with their future profession and to instill in them a consciousness of its aims and ideals. The scholastic, organization and social activities of the Pre-Med Club stimulate, as they are designed to do, the interest of the group along lines of better scholarship, more serious regard for the study and practice of medicine, and a greater realization of its personal and social responsibilities.

The social life of the club centers around three main events: the initiation banquet of the Fall Term, the formal banquet of the Winter Term, and Spring Term picnic.

PEER CLUB

The Peer Club, the most recently organized of the girls Social organizations on the campus, has as its purpose the promotion of Fellowship, Scholarship, and Democracy. This club had its beginning two years ago under the direction of Dr. Lorena Stretch.

The membership, comprised proportionately of town and dormitory girls, strives to promote a better understanding among its members and the advancement of good will and friendliness in Baylor.

Keeping pace with its other record of high achievement, the Peer Club sets a new precedent for the girls organizations by offering a full year scholarship in the University. The scholarship is given to a young woman who is deserving of the honor and who finds assistance necessary. The selection is made by the members of the club in cooperation with the sponsor, Dr. Stretch.

RECREATIONAL CLUB

The Recreational Club before this year has been known as the Woman's Sports Association. It is a campus-wide organization, open to both dormitory and local women, and not an exclusive organization for sportswomen. The purpose of the organization is twofold: (1) every Baylor woman student in a sport and a sport for every Baylor woman, and (2) to instill within each participant the desire to play for play's sake.

Activities of the Recreational club consist of participation in Intramural sports, week-end outings to the Y. W. C. A. cabin on Lake Waco, picnics, bowling parties, skating parties, bicycle rides, and other outdoor activities. The club sponsors nine sport clubs.

Miss Lucille Douglas is the sponsor.

RIO GRANDE VALLEY

The Rio Grande Valley Club is an active sectional group on Baylor campus. The primary aim of the club is to introduce others from the southernmost tip of Texas to Baylor. C. H. Hamilton was Fall term president. Other officers were Eugene Stack, vice-president; Billie Marion Parks, secretary; and Eleanor Crockett, reporter.

TWIN CLUB

The Baylor Twin Club is unique among campus organizations in that it does everything double. It serves a double purpose—a friendly society, on one hand, and an excellent opportunity for scientific testing by the Baylor Psychology department, on the other hand. It has attracted national and world-wide publicity sponsoring the Texas College Twin Convention each year. President Pat M. Neff and Dr. Iva Cox Gardner are the club sponsors.

URBANITES

The University Urbanites, an organization composed of Baylor girls whose homes are in Waco, has the distinction of being one of the oldest women's organizations on the campus, its charter having been drawn up in 1927. The club has for its purpose the promotion of fellowship and the broadening of the intellectual interests of its members.

In the pages of the Urbanite year book are recorded the following outstanding activities: A fall rush party, followed by the pledging of neophytes at a luncheon given in their honor; a tea and style show for all members of the faculty and girls of the student body; the annual Homecoming day breakfast in honor of Urbanite alumnae; baskets for needy families at Thanksgiving and Christmas; and the annual formal banquet.

Sponsors this year were Dr. and Mrs. Walter J. Williams.

TRI-D CLUB

The Tri-D Club is an organization of girls interested in the problems and activities related to home economics. The purpose of the club is to form a closer relationship between girls and to acquaint them with new ideas. It enables them to acquire a broader appreciation of the opportunities in the field of home economics.

During the year the club has had for its theme the development of personality. It has enjoyed many guest speakers and has had many delightful entertainments. Each girl made some article which was sold at a bazaar held in the home management cottage. The club sent two delegates to the Texas Home Economics Association convention at Lubbock. Miss Cymbal Taylor is sponsor of the club and Miss Bunyard is co-sponsor.

Varsity "B" Club

The Varsity "B" Club is an exclusive organization of the wearer of the "B". All lettermen in any Baylor sport are members of the "B" club. The club has as its purpose the promotion of friendship among athletes of all divisions of athletics. The club was organized four years ago.

Westerners

The Westerners is the first group in the history of Baylor University to unite all the students from that broad and friendly land known as West Texas. The purpose of the club is to maintain the spirit of that region among the students on the campus and to promote that Baylor spirit in the localities from which they came. The social activities of the club consists of entertainment given in Western style.

B. S. U. COUNCIL

The Baptist Student Union is the connecting link between the church and school.

The activities of the B. S. U. are wide and varied, providing an opportunity for every student to do religious work. Service in the church is embodied in membership in Sunday School and Training Union. Specialized functions on the campus are carried on through the Y. W. A., Ministerial Alliance, and Volunteer Band. The membership of the B. S. U. is a composite of the enrollments of these unit organizations.

Morning Watch, Friendship Circles, B. R. H., and Extension Work provide additional opportunities for worship and service.

This year the State B. S. U. Convention met here. Baylor was recognized as one of the few schools to have attained First Magnitude for 1939-40. The annual Revival was conducted by the Reverend Bill Marshall.

COLLEGE DEPARTMENT SUNDAY SCHOOL

SEVENTH AND JAMES BAPTIST CHURCH

Under the able leadership of Miss Gladys Allen, Reverend Guy B. Newman, and Lloyd Russell, this organization, composed of the Berean and the Fidelis classes of the Seventh and James Baptist Church, has shared in a program of charity, helping the disabled and underprivileged at Thanksgiving and Christmas. The activities of college life and the religious association of college students have been promoted through this organization, which has had enthusiastic support throughout its existence.

COLLEGE DEPARTMENT OF THE FIRST BAPTIST CHURCH

FIRST BAPTIST CHURCH GIRLS SUNDAY SCHOOL

During the year 1940-41 the girl's classes have been under the following leaders: Fidelis Class, Mrs. J. M. Dawson; Contemporaries Class, Dr. I. C. Gardner; Sororis Class, Mrs. L. W. Alexander; Philathea Class, Mrs. Sadie Crawley. These capable leaders have been assisted most ably in the years work by Mrs. Lowell Douglas and Mrs. Robert Markham. These classes, in cooperation with the boys classes, gave large offerings to the needy and underprivileged at Thanksgiving and Christmas. Besides these offerings the girls acted as Santa Claus to a large group of unfortunate children by granting them the desires of their letters to Santa. Fullest cooperation was shown by the girls to church activities throughout the year in their generous responses to the Cooperative Program, the Church Budget, and The Lottie Moon Christmas Offering.

COLLEGE DEPARTMENT OF THE FIRST BAPTIST CHURCH

FIRST BAPTIST CHURCH BOYS SUNDAY SCHOOL

Under the excellent leadership of Dr. J. A. Yarbrough, Mr. Truett Grant and Mr. Woodrow Wendt the college men's classes feel that they have made distinct strides of progress during the year. The classes worked with the girls in making Christmas and Thanksgiving a meaningful time to many who would have had no joyous holiday. In addition to these services these classes have undertaken a large variety of work during the year in cooperation with the activities of the church in the furtherance of its work.

MINISTERIAL ALLIANCE

The Baylor Ministerial Alliance was organized in order that ministerial students of the University might meet together regularly for prayer and fellowship. From this group each year religious leaders leave Baylor for all parts of the state and southwest, taking their part in active church and spiritual educational work.

The Alliance has had enthusiastic support and the fellowship has been of the finest throughout many years. On the weekly programs numbers of prominent speakers have taken part.

It is this group that has cooperated with many small churches of the state in definite religious and study course programs. Members have endeavored to hold high the standards of Christian education.

Active Members

VOLUNTEER BAND

In the forty-one years of the Volunteer Band, more than one hundred members of this Band have served on foreign mission fields; while many more associate members have gone into everyday life in the homeland, carrying the torch of missionary zeal.

Every year one missionary play and many programs have been presented by the Band in the churches of Central Texas. Offerings received this year have been applied without exception on the salary of one missionary on the foreign field.

As a loadstone swings towards the north by its very nature, so the Volunteer Band, acting as a unit and as individuals, strives to weave into the warp and woof of its life, these goals:—

- (i) to be completely guided by the Holy Spirit,
- (ii) to strive for the cause of missions, whether at home or abroad,
- (iii) to function to the end that Baylor's focal point may ever be "the Kingdom of God and its righteousness."

Associate Members

SEVENTH AND JAMES B. T. U.

The Seventh and James Baptist Training Union reached a new height in enrollment and in activity during the school year just ended. The union had over 400 enlisted and active members, which is the second largest of its kind in the world.

Located just off the campus, the services of the B.T.U. proved to be a drawing power for the Baylor students. The leaders of the Union and of the church are well pleased with the work done by this union.

A CAPPELLA CHOIR

Under the direction of Professor Robert Hopkins, the A Cappella Choir has become one of the most outstanding groups of singers in the southwest. Organized four years ago, the choir has proved to be one of the most attractive features of many programs. Professor Hopkins is recognized throughout Texas as an outstanding authority on choral training. The Baylor choir offers a splendid example of his capabilities.

BAND

The Baylor University Band, under the able direction of Dr. R. D. Perry, continued, as it has in the past, to stimulate the musical spirit on the campus as well as elsewhere. Because of its participation in college athletic activities and ceremonies, the year has been very successful. In the Fall the Band toured to San Antonio to take part in the Villinova-Baylor game and to Fort Worth for the T. C. U. game. 125 bandsmen composed the drilling unit with 25 baton and Swiss flag twirlers.

CONSOLE CLUB

The Console Club is composed of students studying organ in the University. Club members attend recitals, play for other members at meetings, and have various social activities during the year. Sponsors of the organization are Mr. and Mrs. Robert A. Markham. Officers: President, Jack Goode; Vice-President, Marjorie Coe; Secretary, Erin Managan; Treasurer, Lawrence Birdsong; Reporter, Arline Harris.

A GROUP OF PIANOPHILES

The Pianophiles, a club open to all piano students, was organized during the fall term of 1940 for the purpose of further appreciation of piano music, and for promoting fellowship among piano lovers. Membership includes approximately one hundred persons, only a group of whom are shown below. Sponsors are those members of the faculty who teach piano, also Mr. Harry Lee Spenser, Waco. LaRue Richards was president for the year, Helen Osgood, vice-president, and Dorothy Means, secretary.

BAYLOR BARDS

The Baylor Bards, ensemble of male voices, increase in popularity with each passing year. Their radio broadcasts have included appearances on the Texas State network, stations WBAP and WACO. Miss Eunice Schilling is the accompanist, Miss Martha Barkema, director.

RHAPSODY IN WHITE

The Rhapsody in White is completing its fourth year on the Baylor campus. The repertory of this ensemble includes the best song literature arranged for treble voices. Under the leadership of Miss Barkema they made important appearances during the year.

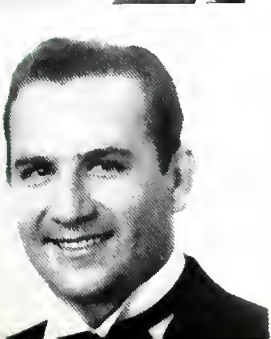

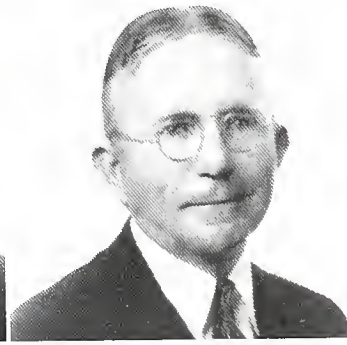

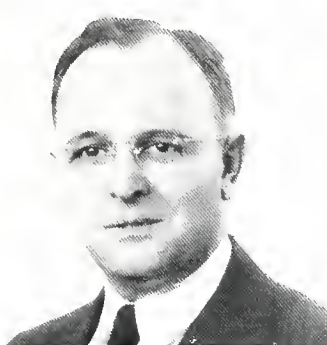

PHI BETA MU

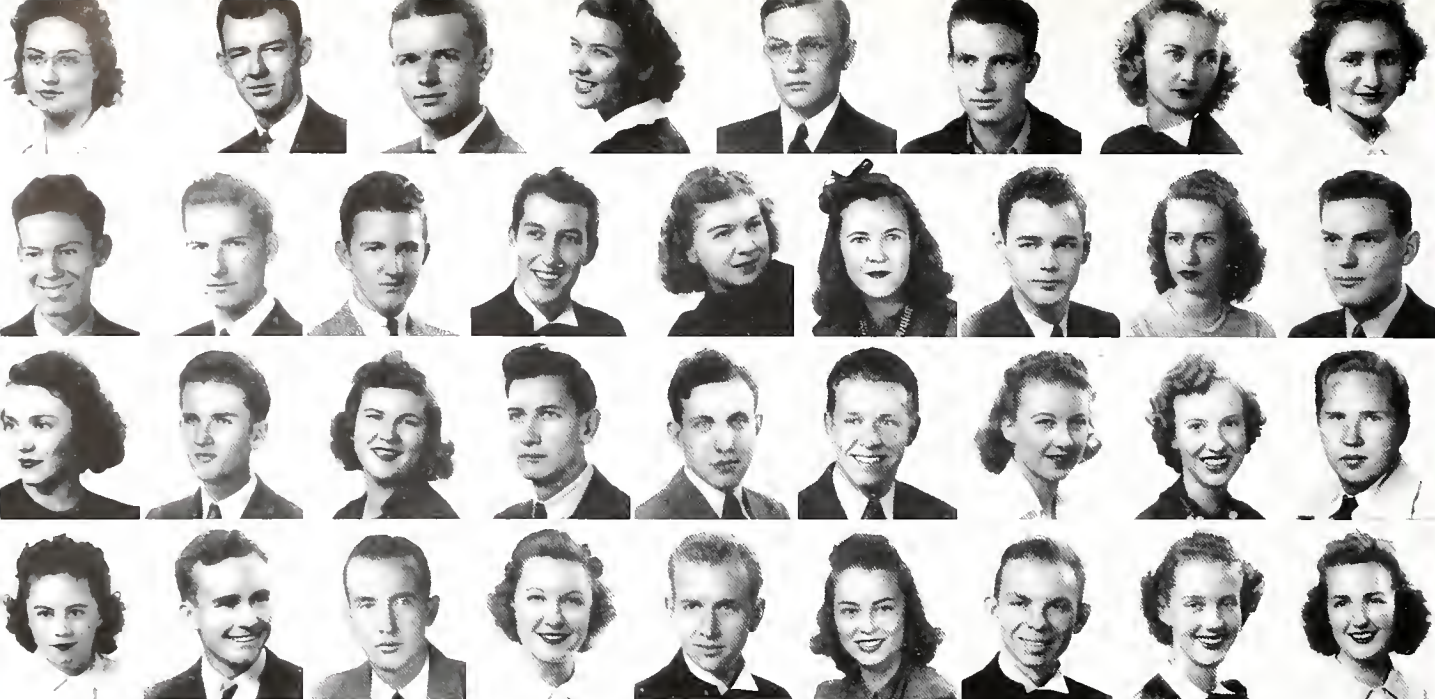

PHI BETA MU is a professional sorority for women musicians. It seeks to encourage high scholarship among its members, to promote musical and social activities in the school and to afford opportunities for performances on its programs.

BOARD OF PUBLICATIONS

The Board of Publications, made up of four professors named by the faculty, and three upperclassmen elected by popular vote of the student body, has general supervision of all student publications, the Round-up, Lariat, Student Directory and athletic programs. It is this body that names the editors-in-chief of the Round-Up and Lariat. By virtue of his heading the Journalism Department, Prof. Frank E. Burkhalter is chairman of the Board.

PRESS CLUB

The Baylor Press Club is one of the newest organizations on the campus. It was founded in March of 1940 by 35 students majoring and minoring in journalism.

Purpose of the club is the promotion of a study of journalism not covered in the classroom as well as the development of co-operation among journalism students. Experienced newspaper and magazine writers addressed the organization this year and special research into current journalism was done by members.

The social activities of the club have not been neglected. This year the club had a formal banquet carrying out the western theme.

Prof. Frank E. Burkhalter is faculty advisor.

THE DAILY LARIAT

The Lariat is Baylor's newspaper, published every school day except Monday. The Lariat has led in the promotion of projects of value and service to the students, voicing the extra-curricular activities, and the comings, goings, and doings of the faculty and students.

The year the Lariat started the drive for one-side parking on Seventh street, sponsored the "Gotta Coin?" drive in cooperation with the Waco Community Chest and the continuation of Corrigan week-end. The newspaper has worked all year with the Round-Up in all of its drives and in publicity on the beauty and personality races.

The three editors for the year were Louis Newman, Mildred Adams and George Bevel.

JOHN C. HALEY, B.A., M.D.

We, the Senior Class of the Baylor University, College of Medicine, respectfully dedicate our section of the 1941 Round-Up to Dr. John C. Haley, a man of high ability and character, a student and a scholar, who is, above all, the student's friend from the freshman year throughout.

ATHOL L. FREW, D.D.S., F.A.C.D.

We, of the senior class of Baylor University, College of Dentistry, wish to take this opportunity to express our sincere appreciation and gratitude for the patient guidance and wisdom of a great teacher and member of the faculty. For thirty-five years, ever since the founding of the College of Dentistry, Dr. Frew's untiring efforts and genial personality have carefully guided and molded the destinies of Baylor Dental Students. The effects of this guidance can be seen in the office of every Baylor graduate. It is therefore, with great respect and deep friendship that we make this dedication.

DR. WALTER H. MOURSUND
Dean of Medicine

To you, the Class of 1941, individually and collectively go the best wishes of your Dean and Faculty through the years of your further training in the art and science of medicine and later the practice of your profession. May each of you have a long life abundantly endowed with opportunities for those services to mankind which your profession imposes upon you as a sacred trust.

W. H. MORSUND.

HARRY S. GROPPER

CLASS OF '41

DR. FREDERICK W. HINDS
Dean of Dentistry

Recently I heard it said that you cannot dictate a state of mind to a person or a group of persons. That is why there is a difference in the quality of work rendered. G. V. Black was not working in a dental office, he was not merely practicing dentistry, he was going further even than rendering a health service, he was building a profession. This great man who spent so much of his time each day and night, had a vision and this vision was the profession of dentistry. His work was not only for his lifetime but was to place him among the immortals whose work and labor live on long after they have passed beyond. His hours of labor and research were as the painter's brush upon the canvas and the writer's ink upon the parchment. We have works of art that have survived through centuries and writings that have withstood the criticism of the ages. G. V. Black's work will continue long after those present will have died. But we have further need for strokes of the brush upon the canvas of dentistry.

May the members of this class go forth and through your labors, your practice, your investigations and continued study, improve the profession of dentistry.

F. W. HINDS, *Dean.*

Above is the proposed new Educational Building for the School of Nursing. This is much needed in order to meet and maintain the standards now required for schools of nursing.

This building is to consist of additional classrooms and laboratory facilities for the School of Nursing, a library, and an adequate assembly room. It will also provide some additional housing space.

The Alumnae Association of Baylor University School of Nursing and the Baylor Women's Auxiliary, made up of women of the Churches of Dallas County have launched this plan.

It is earnestly hoped that this worthy cause will receive the support of every person who is interested in the future of Baylor University School of Nursing and in the education and better preparation for nurses.

HELEN H. LEHMAN, R.N.

World events of vital importance are shaping our future plans this year to a greater extent than ever before. Active participation of each individual and of organized groups is necessary in the national defense program of our country. On every side we hear the statement, "Nurses are wanted," and we must realize that plans for individual endeavor may have to be postponed until our country and its ideals are again secure. It is our hope that you, the members of the graduating class of 1941, will accept the challenge and count it a privilege to do your part in meeting the emergency by giving to your country the nursing service which is so urgently needed. Our affectionate good wishes will follow you.

HELEN H. LEHMAN.

THE FLORENCE NIGHTINGALE PLEDGE

I SOLEMNLY PLEDGE MYSELF BEFORE GOD AND
IN THE PRESENCE OF THIS ASSEMBLY:

To pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and
will not take or knowingly administer any harmful drug.

I will do all in my power to maintain and elevate the standard of
my profession, and will hold in confidence all personal matters com-
mitted to my keeping, and all family affairs coming to my knowl-
edge in the practice of my profession.

With loyalty will I endeavor to aid the physician in his work, and
devote myself to the welfare of those committed to my care.

 DR. B. F. HAMBLETON W. R. TUCKER

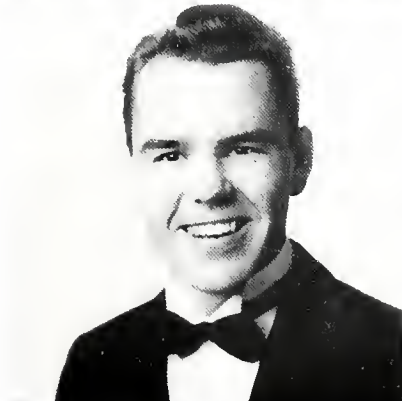

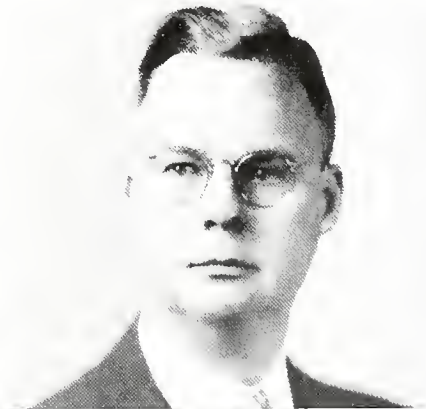

We, the Staff of the 1941 Round-Up, wish to acknowledge our deepest appreciation to Dr. Hambleton, Dr. Lacey, Miss Danner, and Mr. Crenshaw, of the Southwestern Engraving Company, for their untiring efforts and assistance in the publication of this book.

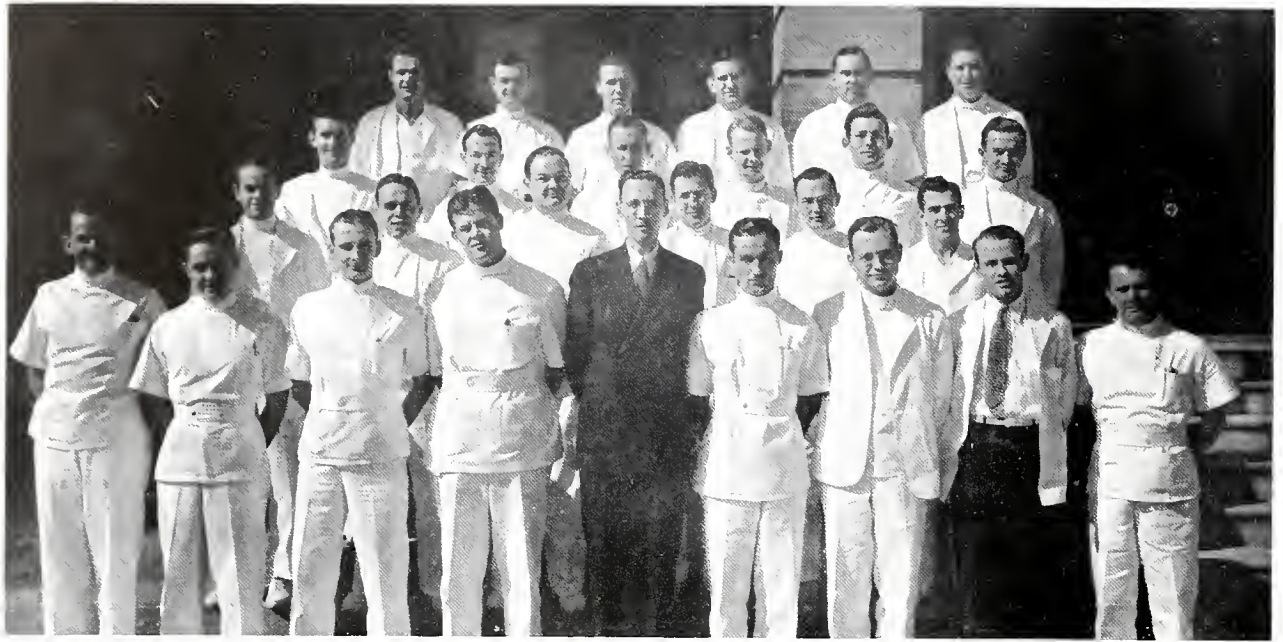

We are also grateful to the members of the student body for their cooperation. It is our hope that the contents of these pages will serve as a permanent record of their activities during the school year of '40-'41.

Special acknowledgement is due Dr. A. B. Mikulenack for the cartoons, J. C. Cooper, Jabez Galt, G. W. Cleveland, and the personnel of Denison Studios for the photographic work.

The purpose of the Baptist Student Union on any campus is to enlist students on that campus in religious activities. It seeks to be the connecting link between the school and the Church. The BSU Council is the executive body, elected by the Student-body, to promote the religious activities of the entire campus. The ultimate aim of Southern Baptists in promoting work among students is to conserve for the Churches, for the Denominational program and for the Kingdom of God the least as well as the best of the students in our schools. In the School of Nursing the Council members are formulating plans and ideas whereby the BSU may earn a place of permanence in the Hospital program. It is the hope of the Council that the life of each individual student has been enriched spiritually because of the efforts of the Council members and their gracious assistants.

Dear Dad...

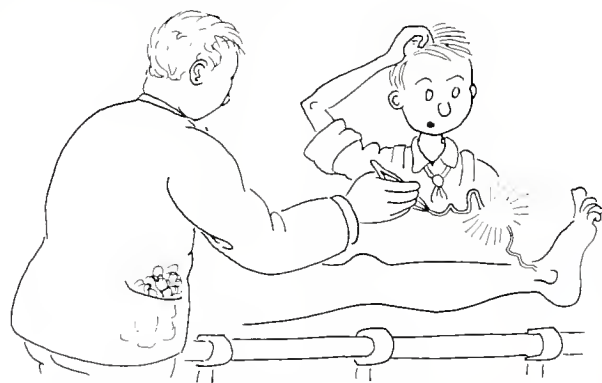

"This freshman year is plenty tough, Dad. Sometimes I wish I was back on the farm sitting on the plow behind Molly - and there come times when I sure think maybe that's what I'll be doing 'fore long."

"It seems that almost every freshman pledges some medical fraternity; they're not really as bad as you heard they were, Dad. They have a set of house rules that everyone follows. They are very nice to me; say they are going to build a new house soon."

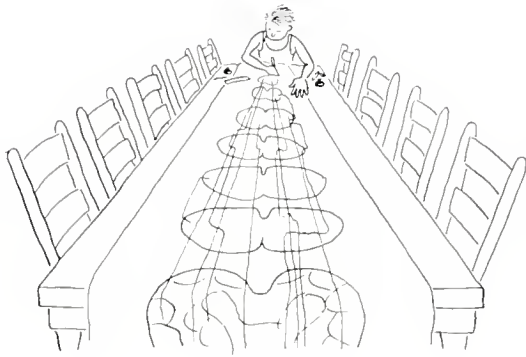

"The fraternity has a sort of entertainment room down in the basement, where they hold parties. I met a girl named Mame there - nice girl, but she got a bad break (Ain't it a shame about Mame?)."

"It often takes me two or three hours to dissect out a nerve, and then Dr. Haley ('Puss,' we call him) comes around, yanks on it, and says 'Nope. Ain't a nerve - just fascia!'"

"The Phi Betas gave a party not long ago and I drank some of their fruit juice punch. Gosh, Pop, the next morning I felt like I had been poisoned - must have used bad fruit."

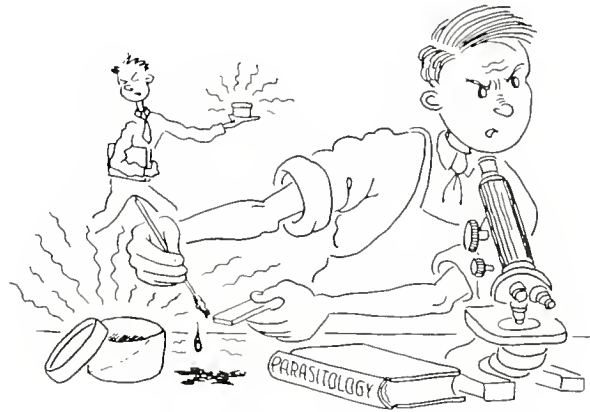

"I'm a Sophomore now, and taking neuro-anatomy. Tell Uncle John I'm copying the neuro chart he made in 1902."

"Dad, you would really be surprised if you could see to what lengths we go to find out the secrets of the human body."

"You and Mother were asking me what getting a 'con' in pathology meant. Well, that simply means that Dr. Caldwell wants me to do some research work this summer."

"Well, Dad, I'm over the hump now ~ a full-fledged Junior. They say the work gets easier, but I'm still going at it hammer and tongs."

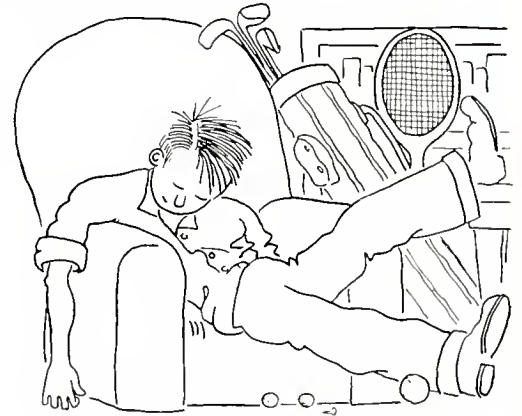

"We study even on week-ends. Last Saturday I reviewed my anatomy, brushing up on a few points I had missed before."

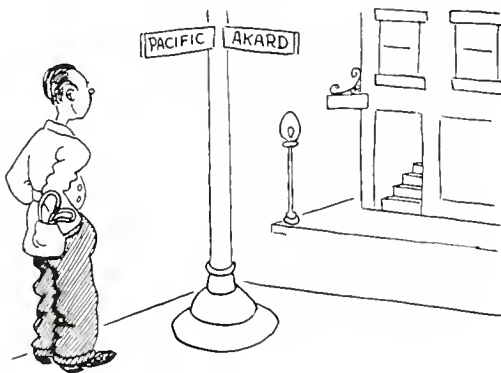

"I know the price of cotton is low, but you know how expensive this medical education is. I sure need another fifty dollars to buy some more books, instruments and other equipment with."

"Oh boy, the home stretch, Dad ~ I'm a Senior now. I didn't study as hard as I had intended to last year, but I'm really knuckling down this year."

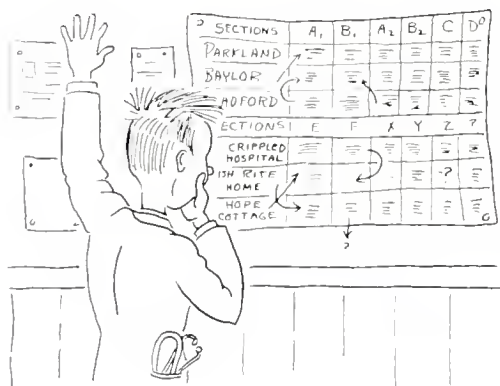

"Tell Mom to stop worrying about me, for I don't study all the time; occasionally I take time off to do some shopping downtown."

"Say, that guy who said 'Art is long and time is fleeting' never was on the outside O.B. service."

"It's the last day of school, Dad, but I still haven't mastered the schedule. If I could just figure out where I'm supposed to go, I'd go to class."

P*roblem:*

Write complete specifications for a GOOD TIME

DON'T try it, brother (or sister) . . . you'll be all night at the job.

And you'll come up with nothing but a long list of *things*.

But *not* with complete specifications for a good time.

For, a good time is made up of many intangibles. Such as a bright smile here, an inane laugh there; the right responses to your witticisms at the right times; just the right nuances of the sublime and ridiculous (never the same in any two situations) - - and some indescribably delicate mixture of the physical and spiritual within you that must be just right for each particular time and occasion.

NOR could you come much closer to writing complete specifications for a Midland-built school yearbook.

There are values and ingredients in such a made-to-order production which are easy to see in the finished product, but difficult to describe in specifications.

There is no technical manner in which to specify perfection in halftone printing, the master's touch in typography, the subtle skills embodied in graceful, lasting bindings.

Printers have individualities - - good or bad. The "best" specifications ever written by the most snooping suspicious purchasing agent never changed the *character* of a printer, and *that's* what counts!

WE SUBMIT THIS YEARBOOK AS ONE EXAMPLE OF THE WORK OF

MIDLAND PRINTING COMPANY

Natural-Gas
RAINCOAT

Scientists are processing Natural Gas into hundreds of articles these days, from perfumes to raincoats. But its main business is still the house-heating, cooking, water-heating, and refrigerating job, for people's houses. In our 301-town pipe line system, domestic gas has the right of way, always. However, you can tell by the smokeless skylines that we have enough of this cheap automatic heat for the industries, too.

People choose their DOCTORS more by hearsay and appearance than by abilities . . . how professional you appear (and this is much a matter of the right clothes) will be a factor in your success.

S. S. WHITE MASTER UNIT & MOTOR CHAIR

*Set a New and Refreshing Style
for the Dental Operating Room*

The S. S. White Master Unit and Motor Chair surpass all previous levels of beauty, convenience and comfort in dental operating equipment. Every detail of their design and construction is a visible demonstration of these two maxims: (1) Simplicity is far more appealing to the eye than excess adornment; (2) correct form enhances function.

Only the S. S. White Master Unit and Motor Chair provide the operating facilities demanded by dental practice today in the stirring simplicity and beauty of modern styling.

Every dental dealer who distributes S. S. White Equipment invites you to visit his showroom where you will find the S. S. White Master Unit and Motor Chair on display.

After you have seen and tested each separately let him tell you how easily you can own an S. S. White Master Unit and Motor Chair, and why each of these offer the greatest protection to your investment and give you the most for every dollar invested.

FREE OFFICE-PLANNING SERVICE

Nothing will do more toward filling the appointment book of the new practice than office impressions. Let us help you plan an office that will inspire your patients to refer their friends.

FOILLE

The New Scientific
Treatment for Burns

AN ANALGESIC, ANTISEPTIC VEGETABLE-OIL
EMULSION

Foille is rapidly being adopted nationally by leading industrial surgeons, hospitals, clinics and doctors, because of its evident advantage over prevailing agents. Wide case history clearly indicates these advantages:

- Quicker Emergency Aid
- Immediate, Continued Control of Pain
- Mitigation of Shock
- Better Control of Infection
- Lessened Contractures
- Reduced Convalescence Period

EXPLOITATION of the MEDICAL PROFESSION

EVERYWHERE it is rampant — newspapers, magazines, billboards, radio. "Your doctor will tell you that . . ." "Medical science has found that . . ." "The greatest specialists in Timbuctoo say that . . ." And the rest of the story is, of course, "Use our pills or our vitamins three times a day; ask your doctor."

♦ ♦ ♦

You are forced to compete with those who offer your patients free advice regarding medical treatment. You deliver Mrs. Blank's baby today, and tomorrow she will receive by mail samples of baby foods with complete directions how to use them. Indeed, some physician representing a commercial organization and knowing that the case is in your hands may address a personal letter to your patient offering his services free.

♦ ♦ ♦

It has been said that ten more years of the present trend of interference in medical practice will do away with the need for private practice of infant feeding and other branches of medicine.

♦ ♦ ♦

Mead Johnson & Company have always believed that the feeding and care of babies and growing children is an individual problem that can best be controlled by the individual physician. For over twenty years and in dozens of ethical ways we have given practical effect to this creed. We hold the interest of the medical profession higher than our own, for we too, no doubt, could sell more of our products were we to advertise them directly to the public.

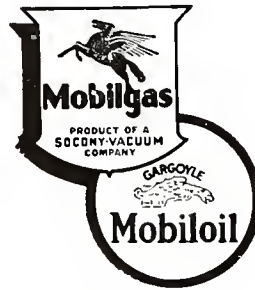

♦ ♦ ♦

So long as medical men tacitly encourage the present trend, so long will serious inroads continue to be made into private medical practice. When more physicians specify MEAD'S Products* when indicated, more babies will be fed by physicians because Mead Johnson & Company earnestly cooperate with the medical profession along strictly ethical lines and never exploit the medical profession.
